CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential antidisplacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

Drug Free Workplace -- It will or will continue to provide a drug-free workplace by:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
2. Establishing an ongoing drug-free awareness program to inform employees about --
 - (a) The dangers of drug abuse in the workplace;
 - (b) The grantee's policy of maintaining a drug-free workplace;
 - (c) Any available drug counseling, rehabilitation, and employee assistance programs; and
 - (d) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph 1;
4. Notifying the employee in the statement required by paragraph 1 that, as a condition of employment under the grant, the employee will -
 - (a) Abide by the terms of the statement; and
 - (b) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 4(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted:

(a) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(b) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5 and 6.

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

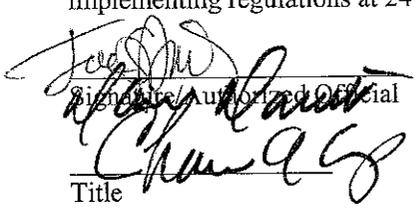

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and

3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968, and implementing regulations at 24 CFR Part 135.

Specific CDBG Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570)

Following a Plan -- It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. **Maximum Feasible Priority.** With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
2. **Overall Benefit.** The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) , (a period specified by the grantee consisting of ~~one~~ two, ~~or three~~ specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
3. **Special Assessments.** It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements. However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;

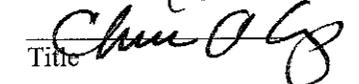

Compliance With Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, subparts A, B, J, K and R;

Compliance with Laws -- It will comply with applicable laws.

**OPTIONAL CERTIFICATION
CDBG**

Submit the following certification only when one or more of the activities in the action plan are designed to meet other community development needs having a particular urgency as specified in 24 CFR 570.208(c):

The grantee hereby certifies that the Annual Plan includes one or more specifically identified CDBG-assisted activities which are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and other financial resources are not available to meet such needs.

Specific HOME Certifications

The HOME participating jurisdiction certifies that:

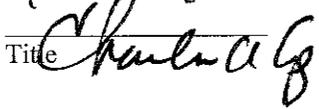

Tenant Based Rental Assistance -- If the participating jurisdiction intends to provide tenant-based rental assistance:

The use of HOME funds for tenant-based rental assistance is an essential element of the participating jurisdiction's consolidated plan for expanding the supply, affordability, and availability of decent, safe, sanitary, and affordable housing.

Eligible Activities and Costs -- it is using and will use HOME funds for eligible activities and costs, as described in 24 CFR § 92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in § 92.214.

Appropriate Financial Assistance -- before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing.

ESG Certifications

The Emergency Shelter Grantee certifies that:

Major rehabilitation/conversion -- It will maintain any building for which assistance is used under the ESG program as a shelter for homeless individuals and families for at least 10 years. If the jurisdiction plans to use funds for rehabilitation (other than major rehabilitation or conversion), the applicant will maintain any building for which assistance is used under the ESG program as a shelter for homeless individuals and families for at least 3 years.

Essential Services and Operating Costs -- Where assistance involves essential services or maintenance, operation, insurance, utilities and furnishings, it will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure as long as the same general population is served.

Renovation -- Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services -- It will assist homeless individuals in obtaining appropriate supportive services, including permanent housing, medical and mental health treatment, counseling, supervision, and other services essential for achieving independent living, and other Federal State, local, and private assistance.

Matching Funds -- It will obtain matching amounts required under 24 CFR 576.51.

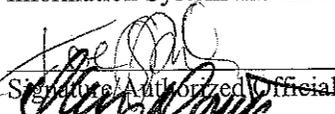

Confidentiality -- It will develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement -- To the maximum extent practicable, it will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, operating facilities, and providing services assisted through this program.

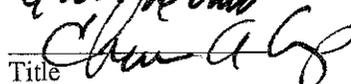

Consolidated Plan -- It is following a current HUD-approved Consolidated Plan or CHAS.

Discharge Policy --- It has established a policy for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons.

HMIS -- It will comply with HUD's standards for participation in a local Homeless Management Information System and the collection and reporting of client-level information.

HOPWA Certifications

The HOPWA grantee certifies that:

Activities -- Activities funded under the program will meet urgent needs that are not being met by available public and private sources.

Building -- Any building or structure assisted under that program shall be operated for the purpose specified in the plan:

1. For at least 10 years in the case of assistance involving new construction, substantial rehabilitation, or acquisition of a facility,
2. For at least 3 years in the case of assistance involving non-substantial rehabilitation or repair of a building or structure.

APPENDIX TO CERTIFICATIONS

INSTRUCTIONS CONCERNING LOBBYING AND DRUG-FREE WORKPLACE REQUIREMENTS:

A. Lobbying Certification

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

B. Drug-Free Workplace Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification.
2. The certification is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HUD, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio stations).
5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).
6. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

Check ___ if there are workplaces on file that are not identified here.

The certification with regard to the drug-free workplace is required by 24 CFR part 24, subpart F.

7. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

"Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

"Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

"Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Completing Part 1: Homeless Population. This must be completed using statistically reliable, unduplicated counts or estimates of homeless persons in sheltered and unsheltered locations at a one-day point in time. The counts must be from: (A) administrative records, (N) enumerations, (S) statistically reliable samples, or (E) estimates. The quality of the data presented in each box must be identified as: (A), (N), (S) or (E).

Completing Part 2: Homeless Subpopulations. This must be completed using statistically reliable, unduplicated counts or estimates of homeless persons in sheltered and unsheltered locations at a one-day point in time. The numbers must be from: (A) administrative records, (N) enumerations, (S) statistically reliable samples, or (E) estimates. The quality of the data presented in each box must be identified as: (A), (N), (S) or (E).

Sheltered Homeless. Count adults, children and youth residing in shelters for the homeless. "Shelters" include all emergency shelters and transitional shelters for the homeless, including domestic violence shelters, residential programs for runaway/homeless youth, and any hotel/motel/apartment voucher arrangements paid by a public/private agency because the person or family is homeless. Do not count: (1) persons who are living doubled up in conventional housing; (2) formerly homeless persons who are residing in Section 8 SRO, Shelter Plus Care, SHP permanent housing or other permanent housing units; (3) children or youth, who because of their own or a parent's homelessness or abandonment, now reside temporarily and for a short anticipated duration in hospitals, residential treatment facilities, emergency foster care, detention facilities and the like; and (4) adults living in mental health facilities, chemical dependency facilities, or criminal justice facilities.

Unsheltered Homeless. Count adults, children and youth sleeping in places not meant for human habitation. Places not meant for human habitation include streets, parks, alleys, parking ramps, parts of the highway system, transportation depots and other parts of transportation systems (e.g. subway tunnels, railroad car), all-night commercial establishments (e.g. movie theaters, laundromats, restaurants), abandoned buildings, building roofs or stairwells, chicken coops and other farm outbuildings, caves, campgrounds, vehicles, and other similar places.

Third Program Year Action Plan

The CPMP Third Annual Action Plan includes the SF 424 and Narrative Responses to Action Plan questions that CDBG, HOME, HOPWA, and ESG grantees must respond to each year in order to be compliant with the Consolidated Planning Regulations. The Executive Summary narratives are optional.

Narrative Responses

GENERAL

Executive Summary

The Executive Summary is required. Include the objectives and outcomes identified in the plan and an evaluation of past performance.

Program Year 3 Action Plan Executive Summary:

Beaver County continues to be satisfied with the priorities, goals and activities that were developed and included in the five-year plan. The activities planned for FY 2007 will continue to help Beaver County accomplish these goals. This annual action plan incorporates the HUD Performance Measurement System in helping Beaver County continue to meet its goals. Regarding past performance, Goal DH-2(2) "To reduce the housing cost burden for low income renters and homeowners by providing privately owned safe and affordable housing through project-based rental assistance," incorrectly reflected the projected numbers that the Housing Choice Voucher program serves with rental assistance. Therefore, for 2007, the projected numbers have been changed to reflect the income make-up of the households that will be served through the program. Following is the listing of objectives and outcomes that have been developed from the 5-year strategic plan and have been put into the new Performance Measurement format. Please see project and outcome sheets for specific proposed accomplishments and performance measures. The project numbers are listed after the objective/outcome number.

To increase or improve the Availability and/or Accessibility of Decent Housing for Low Income Persons (DH-1) (HOME07-02, HOME07-06, HOME07-04, HOME07-05, Section 8 Housing Choice Vouchers, PAHP, ESG07-02, ESG07-03, HAP07-08, and CD075516, CD075512) Beaver County plans to meet this objective and outcome through a First-Time Homebuyer Assistance program, construction and rehabilitation of affordable housing units by non-profit community housing development organizations (CHDO) and private developers, CHDO operations. The County will meet this objective and outcome for homeless persons through the operation and rehabilitation of emergency shelters, operation and rehabilitation of transitional housing, providing case management services for the homeless, a homeless management information system. The County will also meet this objective

and outcome for special needs populations through accessibility improvements for the low income elderly and people with disabilities who own their own homes, and promoting future homeownership among current public housing residents.

The Housing Authority of the County of Beaver (HACB) plans to complete construction of new public housing units that are accessible for people with mobility impairments, acquire additional units to convert to public housing, provide the opportunity for homeownership by public housing residents, and encourage self-sufficiency of public housing residents. Beaver County will continue to encourage applications for public and private funds to address housing and supportive service needs of persons with addictions to alcohol and other drugs.

To increase the Affordability of Decent Housing for Low Income Persons (DH-2)

The HACB will continue to provide approximately 639 Section 8 vouchers, which will assist an additional 100 low mod households and provide rental assistance for privately owned housing units. In addition, at least 1300 private, assisted low income housing units will be provided to low income households.

To Sustain Decent Affordable Housing for Low Income Persons (DH-3)

CD075500, CD075501, CD075502, CD075516, CD075519, HAP07-08, Supportive Housing 2007) Beaver County plans to meet this objective and outcome through the Home Improvement, Energy Conservation, Emergency Home Improvement, Rat Abatement Services and Fair Housing programs. Beaver County will provide state Homeless Assistance Program (HAP) funds to organizations that provide financial support and other services to prevent homelessness. The County will help provide housing and supportive services for the homeless population by making application for funding for Supportive Housing Program funds. The County will also fund a project that will provide health monitors for elderly households and for people with disabilities. The HACB plans to rehabilitate its public housing units. In addition, the HACB will provide supportive services for public housing residents through the SHARES, SHARES 2, and Public Housing Neighborhood Networks programs. Supportive services will also be provided for frail elderly public housing residents. Beaver County will continue to encourage the HACB to develop additional resident initiatives and resident councils where possible.

To increase or improve the Availability and/or Accessibility of Suitable Living Environments for Low Income Persons (SL-1) (CD075511, CD075506, CD072200, CD073000, CD075510, CD075514) Beaver County plans to meet this objective and outcome through handicap accessibility improvements for people with disabilities at three locations, through engineering and construction of a riverfront park, through an embankment restoration project and through the construction of a new roadway. Beaver County will also fund an after school enrichment program that provides tutoring to youth from low income households.

To increase the Affordability of Suitable Living Environments for Low Income Persons (SL-2) There are no objectives or outcomes identified under this goal.

To Sustain Suitable Living Environments for Low Income Persons(SL-3) (CD070503, CD070201, CD070100, CD073502, CD070101, CD070200, CD070500, CD070501, CD070502, CD073500, CD074800, CD073700, CD073702, CD073701, CD075515, CD073501, CD073300, CD072600, CD070102, CD075504, CD075513,

CD075517) Beaver County plans to meet this objective and outcome through rehabilitation and/or improvements to neighborhood facilities, sewers, a sewer plant, streets, sidewalks, storm sewers, and for the replacement of a bridge. Beaver County will also provide funds to clear blighted structures, fund studies and plans for development of community centers in Aliquippa as well as repay principal and interest for a Section 108 Loan used for Streetscape projects.

To increase or improve the Availability and/or Accessibility of Economic Opportunities for Low Income Persons (EO-1) (CD075507, CD075508) Beaver County plans to meet this objective and outcome through funding the administration of a program that matches persons with disabilities with jobs and through funding a program that provides technical assistance to low income persons who own or wish to start microenterprises.

To increase Affordability in Economic Opportunities for Low Income Persons (EO-2) CD075509) Beaver County plans to meet this objective and outcome through funding a revolving loan program for low income owners of microenterprises.

To Sustain Economic Opportunities for Low Income Persons (EO-3) (CD075503, CD075515) Beaver County plans to meet this objective and outcome through the Façade Improvement Program which funds rehabilitation of commercial facades in blighted areas and by providing technical assistance to downtown revitalization organizations.

To benefit the citizens of Beaver County through planning activities and studies (O-1) (CD070400, CD072500, CD075518) Beaver County plans to meet this objective and outcome through funding a feasibility study for a recreational facility, a feasibility study for a new municipal building and garage and to update the County's Comprehensive Plan.

Summary of the Citizen Participation and Consultation Process (including efforts to broaden public participation) - As part of the application process, a number of applicants provided their long range community development needs for inclusion in the plan. Public input was obtained at the Public Needs Hearing on May 3, 2007. In order to broaden public participation, a memo with a copy of the public notice describing the proposed projects was sent to all applicants this year. The public notice announcing the second hearing, listing the proposed projects and notifying of public display of the Consolidated Plan was published on May 25, 2007. The second public hearing was held on June 26, 2007 and additional public comments were obtained at that time. The 2007 listing of projects and application for funding was passed by resolution of the Board of County Commissioners at a public meeting held on June 28, 2007. Please refer to *Appendix B - Citizen Participation in 2007 Plan* for additional information and supporting documentation. A listing of the planned projects was published in the Beaver County Times on May 25, 2007. This paper serves all of Beaver County including the areas of racial minority concentration as well as low income areas. Drafts of this proposed plan were placed on display at libraries in the localities or in close proximity to the areas of racial minority concentration and low income areas.

Summary Of Comments Or Views - Comments were received at both public hearings. In addition, the County received an email from Sandy Wright of Greene Township and a letter from Carl DeChellis of the HACB. A letter was also received

from the Honorable Jarrett Gibbons, Member, Pennsylvania House of Representative
Please refer to *Appendix B – Citizen Participation in 2007 Plan* for the hearing minutes
and copies of the email and letters received.

Summary Of Comments Or Views Not Accepted And The Reasons Therefore -
All comments on the Plan were accepted.

General Questions

1. Describe the geographic areas of the jurisdiction (including areas of low income families and/or racial/minority concentration) in which assistance will be directed during the next year. Where appropriate, the jurisdiction should estimate the percentage of funds the jurisdiction plans to dedicate to target areas.
2. Describe the basis for allocating investments geographically within the jurisdiction (or within the EMSA for HOPWA) (91.215(a)(1)) during the next year and the rationale for assigning the priorities.
3. Describe actions that will take place during the next year to address obstacles to meeting underserved needs.
4. Identify the federal, state, and local resources expected to be made available to address the needs identified in the plan. Federal resources should include Section 8 funds made available to the jurisdiction, Low income Housing Tax Credits, and competitive McKinney-Vento Homeless Assistance Act funds expected to be available to address priority needs and specific objectives identified in the strategic plan.

Program Year 3 Action Plan General Questions response:

1. Projects are planned in the following areas where low-mod income concentrations are over 51%: Midland, Beaver Falls, New Brighton, Aliquippa, Ambridge, and Freedom. In addition projects are planned for areas of Hopewell, Hanover, Koppel Rochester Township and West Mayfield that have over 51% low-mod income populations as determined by survey. The areas with the highest racial minority concentration are: Aliquippa, Midland, Beaver Falls, Ambridge and New Brighton. Refer to *Appendix A- Racial Min. & Low Income Concentrations* for a breakdown of CDBG funding to areas of low income and racial minority concentrations by project and census tract(s).

2. Investments in public facility and improvement activities are located in areas where more than 51% of the anticipated beneficiaries are low and moderate income people. The municipality or organization includes the required information with its application. If the information was not included with the application, then it was obtained when the application was reviewed for eligibility and public benefit. Countywide projects including Energy Conservation, Home Improvement, the First-Time Homebuyer program, Rat Abatement program, Progressive Home Health telemedicine, after school program, OVR New Hire Administration, revolving loan program and low income business technical assistance are designed so that income eligibility determines participation in the program. Finally, the people benefiting from the architectural barrier removal at the BCRC, the Conservation District of Beaver County and the Drug and Alcohol Services of Beaver Valley buildings are all people with physical disabilities.

3. The primary obstacle to meeting underserved needs in Beaver County is the lack of available funds to establish or expand programs to address all of the identified affordable housing and supportive needs. Beaver County continues to work diligently to apply for available federal and state funds and to leverage additional funds through cooperation and collaboration with local agencies, businesses and nonprofit organizations. Please refer to *Appendix G Funding Sources* for list of all funding sources.

4. Please refer to *Appendix G Funding Sources* Table included as for the list of federal, state, and local resources expected to be made available to address the needs identified in the plan. Refer to the *Project List & Sheets* and *Appendix H Non-HUD Entitlement Projects* for how the funding will be allocated. Matching requirements for the HOME program will be satisfied by the use of Act 137 funds and developer matches where the developer brings eligible matching funds to a project. Matching requirements for the ESG program will be satisfied by each agency receiving the funds. Upon application for ESG funding, each agency must indicate the amount and source of its matching funds.

Managing the Process

1. Identify the lead agency, entity, and agencies responsible for administering programs covered by the consolidated plan.
2. Identify the significant aspects of the process by which the plan was developed, and the agencies, groups, organizations, and others who participated in the process.
3. Describe actions that will take place during the next year to enhance coordination between public and private housing, health, and social service agencies.

Program Year 3 Action Plan Managing the Process response:

1. The Community Development Program of Beaver County is the County department that administers programs covered by the Consolidated Plan through direct project management and through agreements with subrecipients.

2. In 2005, a survey of housing and community agencies was conducted to gather information regarding the community development and housing needs of low and moderate income people in Beaver County. In January 2007, as part of the application process, CDBG applicants including municipalities, governmental organizations and other non-profit agencies within Beaver County were given the opportunity to provide their long range community development needs for inclusion in the consolidated plan. An advertised public needs hearing was held on May 3, 2007 to obtain input from the public on housing and community development needs. The list of proposed projects was advertised in the Beaver County Times, the newspaper of general circulation in the Beaver County area. The proposed plan including the list of projects and locations was displayed at public libraries throughout Beaver County for a minimum of 30 days. An advertised hearing for input and comments on the draft Annual Action Plan was held on June 26, 2007. Any written citizen comments were considered and responded to in writing. A description of the proposed sewer and waterline projects was sent to the Beaver County Planning Commission and the Southwestern Pennsylvania Commission for review. Both agencies found them consistent with their planning efforts. Finally, the Plan was adopted at a public meeting of the Beaver County Commissioners on June 28, 2007. Copies of the long range needs sheets, correspondence, advertisements, proofs of publication, minutes from hearings and the resolution adopted by the County Commissioners are attached in Appendix B – Citizen Participation in the 2007 Plan.

3. Beaver County will continue to work with public and private entities that are part of the affordable housing delivery system in order to coordinate housing and support service efforts for County residents. The County will continue to work with the HACB in implementing the Consolidated Plan. The County will provide technical assistance to its CHDOs to develop affordable housing opportunities for income-qualified persons. The County will provide ESG, CDBG, CSBG and HAP funding to social service agencies to provide support services, homeless and homelessness prevention services. Finally, Beaver County will work with private developers who propose new supportive housing units with supportive service components. The County will continue to work with the newly created Housing and Homeless Coalition of Beaver County to determine local needs and priorities for housing and supportive services, and to develop projects that address these needs without duplication of existing services.

Enhancing coordination with private industry, business, developers and social service agencies. Through its downtown revitalization program, the County maintains contact with businesses in the downtown areas of the County and provides technical assistance to the local revitalization organizations in those areas. The Community Development Program maintains an open-door policy for any business or organization seeking assistance and will refer the business or organization to additional funding sources where the County's resources are limited. The Community Development Program maintains contact with the economic development agencies of the County including but not limited to the Corporation for Economic Development and the County's economic development administrator. The Community Development Program also funds projects through local non-profit and social service agencies to assist people with employment and business related needs.

Citizen Participation

1. Provide a summary of the citizen participation process.
2. Provide a summary of citizen comments or views on the plan.
3. Provide a summary of efforts made to broaden public participation in the development of the consolidated plan, including outreach to minorities and non-English speaking persons, as well as persons with disabilities.
4. Provide a written explanation of comments not accepted and the reasons why these comments were not accepted.

*Please note that Citizen Comments and Responses may be included as additional files within the CPMP Tool.

Program Year 3 Action Plan Citizen Participation response:

1. Beaver County's Citizen Participation Process is included as *Appendix C – Beaver County Citizen Participation Plan*.
2. As part of the application process, a number of applicants provided their long range community development needs for inclusion in the plan. Public input was obtained at the Public Needs Hearing on May 3, 2007. In addition, the County received an email from Sandy Wright of Greene Township and a letter from Carl DeChellis of the HACB. A letter was also received from the Honorable Jarrett Gibbons, Member, Pennsylvania House of Representatives. A memo with a copy of the public notice describing the proposed projects was sent to all applicants. The public notice announcing the second hearing, listing the proposed projects and notifying of public display of the Consolidated Plan was published on May 25, 2007. The second public hearing was held on June 26, 2007 and additional public comments were obtained at that time. The 2007 listing of projects and application for funding was passed by resolution of the Board of County Commissioners at a public meeting held on June 28, 2007. Please refer to *Appendix B – Citizen Participation in 2007 Plan* for additional information and supporting documentation.
3. A listing of the planned projects was published in the Beaver County Times on May 25, 2007. This paper serves all of Beaver County including the areas of racial minority concentration as well as low income areas. Drafts of this proposed plan were placed on display at libraries in the localities or in close proximity to the areas of racial minority concentration and low income areas.
4. All comments on the Plan were accepted.

Institutional Structure

1. Describe actions that will take place during the next year to develop institutional structure.

Program Year 3 Action Plan Institutional Structure response:

1. The County will continue to provide technical assistance to CHDOs to increase staff capacity to implement affordable housing initiatives. The County will utilize the newly created Housing and Homeless Coalition of Beaver County which replaced the Beaver County Housing Consortium to identify needs and plan for projects to address housing and supportive service needs of homeless and non-homeless populations in Beaver County. The County will continue to maintain its relationship with the HACB to create additional affordable housing opportunities. The County maintains involvement with municipal leaders, neighborhood groups, special interest groups and social service collaborative groups to assure that all available resources are utilized to best serve our communities. The County, through these networks, takes an active role in assuring that the services are effective, non-duplicative and results-oriented.

Monitoring

1. Describe actions that will take place during the next year to monitor its housing and community development projects and ensure long-term compliance with program requirements and comprehensive planning requirements.

Program Year 3 Action Plan Monitoring response:

1. The Community Development Program of Beaver County (CDP) will keep records on the progress toward meeting the consolidated plan goals and on the statutory and regulatory compliance of each activity. For each activity that is authorized under the National Affordable Housing Act, the CDP uses fiscal and management procedures that ensure program compliance, funds accountability and complete and accurate reporting to HUD. These programs will be subject to the Single Audit Act. Similar procedures will be followed for non-CDBG funded projects. The County will continue to be proactive in reassigning program funds as they become available. Beaver County will utilize the performance measurement system including the outcomes, indicators and accomplishments developed by HUD to monitor the productivity of its program. Where the HUD system does not provide for a suitable outcome or objective, the County will develop new measurements by gathering input from applicants, using staff and consultants to help develop the measurement tool, collecting the data and then evaluating and refining the tool. Subrecipient agreements are monitored yearly and managed on an ongoing basis. All projects constructed or rehabilitated with HOME funds are inspected yearly. To ensure the timeliness of expenditures, the Community Development Program conducts 6-month budget reviews of expenditures on projects, reviews monthly IDIS and other financial reports, and examines projections based on active projects. In addition, the project managers report on the progress of each project on a monthly basis.

Minority Business Enterprises/Women Business Enterprises (MBE/WBE) efforts
Beaver County's Minority Business Enterprises/Women Business Enterprises (MBE/WBE) efforts are designed to ensure the inclusion to the maximum extent possible of minorities and women and entities owned by minorities and women, in all contracts entered into by the County in order to facilitate the activities of the County to provide affordable housing authorized under the Cranston-Gonzalez National Affordable Housing Act and any other fair housing law applicable to the Consortium. Beaver County carries out its efforts in accordance with the requirements of Executive 11625 and 12432 concerning minority-business enterprises and Executive Order 12138 concerning women's business enterprises. In addition, the program implements 24 CFR Part 85.36(e) which outlines the actions to be taken to assure that minority businesses enterprises and women business enterprises are used, when possible, in the procurement of property and services. The County will continue to expand its mailing list to enhance its MBE/WBE utilization efforts and hopes to add more MBE/WBE to its contractor, bid and consultant lists. The Community Development Program will continue its efforts to promote and affirmatively recruit MBEs and WBEs by seeking the input of the PA Bureau of Contract Administration and Business Development and working with the Beaver County Minority Coalition.

The County will continue to provide technical assistance to the Minority Coalition to increase economic opportunities for minorities in the County. The Community Development Program staff will continue to advise the Coalition regarding funding opportunities, resources and ways in which it can access funds for start-up and expansion of minority-owned businesses, faith-based and non-profit agencies. The Coalition plans to seek funding for the operation of a resource and technical assistance center where the primary focus is the advancement of minority and female individuals, businesses and organizations. The Minority coalition is involved in working with various groups and non-profits to coordinate and consolidate efforts to establish a comprehensive and easy-to-access system of community services for low income citizens of all ages primarily through the creation of a community center in the City of Aliquippa.

Lead-based Paint

1. Describe the actions that will take place during the next year to evaluate and reduce the number of housing units containing lead-based paint hazards in order to increase the inventory of lead-safe housing available to extremely low income, low income, and moderate-income families, and how the plan for the reduction of lead-based hazards is related to the extent of lead poisoning and hazards.

Program Year 3 Action Plan Lead-based Paint response:

1. Beaver County will continue to implement the federal lead-based paint regulations within its residential rehabilitation, homebuyer and rental assistance programs. Through these programs, the number of housing units containing lead-based paint will decrease, thereby increasing the inventory of lead-safe housing available to low/moderate-income families throughout the County. In 1994, the HACB completed lead-based paint hazard testing of all of its family public housing units and found no evidence of lead-based paint hazards.

Beaver County will continue to notify the public of the hazards of lead paint and to encourage corrective actions such as the replacement of windows and trim, painting or covering damaged surfaces, etc. Each property is evaluated on a case-by-case basis to determine the level of action required. The HACB administers the Lead Based Paint Abatement Program. This includes qualification of households, inspection and abatement of lead-based paint in the projects, procurement of third-party service contractors, implementation of the bidding process, awarding of contracts, monitoring and financial management and record keeping. The HACB reviews each property, notifies residents and takes corrective actions as appropriate to eliminate the hazards of lead paint in accordance with the regulations at 24 CFR Part 35.

In all projects that involve substantial rehabilitation of multi-family housing and are not funded through the HACB, the developer is responsible by contract to abide by 24 CFR Part 35 and provide documentation of compliance to the Community Development Program of Beaver County.

HOUSING

Specific Housing Objectives

*Please also refer to the Housing Needs Table in the Needs.xls workbook.

1. Describe the priorities and specific objectives the jurisdiction hopes to achieve during the next year.
2. Describe how Federal, State, and local public and private sector resources that are reasonably expected to be available will be used to address identified needs for the period covered by this Action Plan.

Program Year 3 Action Plan Specific Objectives response:

1. & 2. Beaver County's housing goals as identified in its Strategic Plan are to: (1) Reduce the housing cost burden for low income renters and owners, (2) Increase homeownership among low and moderate -income households, (3) Reduce housing blight and deterioration, and (3) Provide safe and accessible housing for the physically disabled, the elderly and frail elderly.

Priority #1 is to provide for rehabilitation of rental housing units for low income tenant households, including households with special needs. The HACB will make general improvements and modernizations with Capital Fund monies as identified in the agency's five year action plan in the following public housing communities: Linmar Terrace, Griffith Heights Apartments, Morado Dwellings, Harmony Dwellings, Economy Village, Midcrest Homes, Pleasantview, Crestview Village, Linmar Terrace Extension, Mt. Washington Apartments, Brighton Homes, John F. Kennedy Homes, Joseph Edwards Apartments, George Werner Apartments, Thomas Bishop Apartments, Gordon Camp Apartments, Ambridge Towers, Brodhead Apartments, Monacatotha Apartments, King Beaver Apartments, Sheffield Towers, Corak Towers, and A.C. Edgecombe Apartments. (Activity #3).

Priority #2 is to maintain and increase rental assistance provided to low income renter households who are paying more than 30% of their monthly income

on housing costs. The HACB will continue to provide safe and affordable housing to approximately 1625 public housing households and 639 Section 8 voucher holders (Activity #1). Beaver County will continue to support and encourage the maintenance of 1300 privately owned assisted rental units in Beaver County. The County will also encourage and attempt to endorse funding applications that will increase the number of project-based rental assistance units (Activity #2).

Priority #3 is to provide and/or facilitate increased homeownership opportunities for low income homebuyers. The County will use \$166,455 of Act 137 funds and \$13,545 of ADDI funds to help enable 25 low income households become homeowners through the Homebuyer Assistance Program.

Priority # 4 is to encourage newly constructed or substantially rehabilitate affordable rental units for low income households, including special needs populations. The County is providing \$400,000 in FY 2005 HOME funds to a private developer for construction of Stone Edge Apartments, 11 new units of privately-owned affordable rental housing to be completed in October 2007. The county is providing \$390,710 of FY 2002, FY 2003, FY 2004 HOME and FY 2005 HOME funds to the Beaver County Community Housing Development Organization (BCCHDO) for Mayfield Terrace, the construction of 4 new units of affordable rental housing that will be completed and occupied in July of 2007. The County has committed \$300,000 of HOME 2006 and \$200,000 of HOME 07 funds for rehabilitation of an old office building to create a 77 unit apartment building for the elderly in the Borough of Ambridge. The County also committed \$300,000 of HOME 07 funds for rehabilitation of an old building in the Borough of Conway for a 23 unit apartment building to house the elderly. An award of \$120,517 will be made to a CHDO for new construction or substantial rehabilitation of affordable rental housing and to a CHDO for \$38,000 for operating funds. The county will also provide \$64,581 to a private developer or CHDO for substantial rehabilitation of an existing building or new construction which creates new affordable housing for low income people. In addition, Passavant Memorial Homes applied for Section 811: Supportive Housing for Persons with Disabilities funding to construct a community based residence for three persons who are developmentally disabled. The HACB will complete construction of 23 new units of public housing in existing public housing communities to accommodate persons with mobility impairments. (Activity #2)

Priority #5 is to provide moderate rehabilitation for single-family, owner-occupied units to households a 0-80% MFI. The County will provide \$615,000 in CDBG funds and \$100,000 in Act 137 funds to the HACB to assist approximately 25 low and moderate income homeowner households to rehabilitate their homes through the Home Improvement Program in Fiscal Year 2007 (Activity #1). Through the Energy Conservation Program, Beaver County will provide \$75,000 in CDBG funding to the HACB to assist 32 low and moderate income homeowner households to weatherize their homes (Activity #2). Through the Emergency Home Improvement Program, the Community Development Program will provide \$62,500 in CDBG funds to repair the homes of 25 low and moderate income homeowner households. (Activity #3). The County has received \$125,000 in funding through the Pennsylvania Assessable Housing Program for the Home Modification Program. Funds received will be used by the Community Development Program of Beaver County to make necessary modifications to the homes of low and moderate income homeowners for a member of the household who is physically disabled.

Needs of Public Housing

1. Describe the manner in which the plan of the jurisdiction will help address the needs of public housing and activities it will undertake during the next year to encourage public housing residents to become more involved in management and participate in homeownership.
2. If the public housing agency is designated as "troubled" by HUD or otherwise is performing poorly, the jurisdiction shall describe the manner in which it will provide financial or other assistance in improving its operations to remove such designation during the next year.

Program Year 3 Action Plan Public Housing Strategy response:

1. The HACB will continue to offer the family self-sufficiency program which prepares public housing residents to utilize Section 8 Housing Choice Vouchers to become homebuyers. In addition, two public housing units at Morado Dwellings will be offered for homeownership. The SHARES and SHARES 2 programs which offer workshops and supportive services to public housing residents will continue. Through the Public Housing Neighborhood Network grant Computer labs at Linmar Terrace and Morado Dwellings will be upgraded. Finally, 3 caseworkers will be employed to coordinate the provision of supportive services for approximately elderly residents. The HACB continues to include 26 residents on their Advisory Board.
2. The HACB is not designated as "troubled" therefore this section does not apply.

Barriers to Affordable Housing

1. Describe the actions that will take place during the next year to remove barriers to affordable housing.

Program Year 3 Action Plan Barriers to Affordable Housing response:

1. The County completed an analysis of impediments to fair housing in 1991 and will complete a new analysis in 2007. Beaver County will address barriers to affordable housing by: (1) allocating \$953,000 for Home Improvement, Emergency Home Improvement, and the Weatherization programs to perform rehabilitation, weatherization and emergency repairs on 82 single family owner-occupied housing units. The County will allocate \$166,455 in Act 137 funds and \$13,545 in ADDI funds to finance homebuyer assistance activities for 25 homebuyers. The Housing and Homeless Coalition of Beaver County will enhance activities that facilitate interaction among housing groups and agencies. The HACB will complete construction of 23 rental units of public housing accessible to persons with disabilities. The County has received a Pennsylvania Accessible Housing Program grant in the amount of \$125,000 to assist 10 low income homeowners with disabilities to make their homes accessible. Seven units of HOME funded projects (Park Place and Villa St. Joseph) will be accessible to persons with disabilities. Through the Home program the County will continue to encourage the development of subsidized affordable rental units. The County, through Housing Opportunities, Inc. will facilitate the provision of a homebuyer preparation course which will focus on issues such as financial

management, home maintenance and repairs, property taxes and insurance. See *Table attached as Appendix D – Barriers to Affordable Housing*.

The County will also use \$40,000 in Act 137 funds for activities to promote fair housing and for a Housing Specialist to assist the homeless. (Matrix code 21D).

HOME/ American Dream Down payment Initiative (ADDI)

1. Describe other forms of investment not described in § 92.205(b).
2. If the participating jurisdiction (PJ) will use HOME or ADDI funds for homebuyers, it must state the guidelines for resale or recapture, as required in § 92.254 of the HOME rule.
3. If the PJ will use HOME funds to refinance existing debt secured by multifamily housing that is that is being rehabilitated with HOME funds, it must state its refinancing guidelines required under § 92.206(b). The guidelines shall describe the conditions under which the PJ will refinance existing debt. At a minimum these guidelines must:
 - a. Demonstrate that rehabilitation is the primary eligible activity and ensure that this requirement is met by establishing a minimum level of rehabilitation per unit or a required ratio between rehabilitation and refinancing.
 - b. Require a review of management practices to demonstrate that disinvestments in the property has not occurred; that the long-term needs of the project can be met; and that the feasibility of serving the targeted population over an extended affordability period can be demonstrated.
 - c. State whether the new investment is being made to maintain current affordable units, create additional affordable units, or both.
 - d. Specify the required period of affordability, whether it is the minimum 15 years or longer.
 - e. Specify whether the investment of HOME funds may be jurisdiction-wide or limited to a specific geographic area, such as a neighborhood identified in a neighborhood revitalization strategy under 24 CFR 91.215(e)(2) or a Federally designated Empowerment Zone or Enterprise Community.
 - f. State that HOME funds cannot be used to refinance multifamily loans made or insured by any federal program, including CDBG.
4. If the PJ is going to receive American Dream Down payment Initiative (ADDI) funds, please complete the following narratives:
 - a. Describe the planned use of the ADDI funds.
 - b. Describe the PJ's plan for conducting targeted outreach to residents and tenants of public housing and manufactured housing and to other families assisted by public housing agencies, for the purposes of ensuring that the ADDI funds are used to provide down payment assistance for such residents, tenants, and families.
 - c. Describe the actions to be taken to ensure the suitability of families receiving ADDI funds to undertake and maintain homeownership, such as provision of housing counseling to homebuyers.

Program Year 3 Action Plan HOME/ADDI response:

1. Act 137 Funding in the amount \$166,455 will be used to help fund the Homebuyer Assistance Program. Act 137 is a state authorized local program that provides funding for low income housing initiatives. Federal Home Loan Program funds and Act 137 funds will provide the required match for the County's HOME entitlement grant.
2. *See Appendix E –HOME Recapture Policy.*
3. Beaver County will not be using HOME funds to refinance existing debt secured by multifamily housing that is being rehabilitated with HOME funds.
4. a. ADDI funds in the amount of \$13,545 will be used to help fund the First-Time Homebuyer Program. This program assists low-mod income first-time homebuyers with downpayment and closing costs.
 - b. The Beaver County Housing Authority distributes brochures describing the Homebuyer Assistance program to residents, tenants and families that they assist. Brochures are also given to lending institutions for distribution. The Beaver County Housing Authority also provides a housing counselor who meets with tenants and their families at the community centers located within each public housing community. At these meetings the counselor explains the Homebuyer Assistance program to public housing residents and their families.
 - c. The Beaver County Housing Authority provides a housing counselor, through Housing Opportunities, Inc., who regularly meets with tenants and their families at the community centers located within each public housing area. This counselor provides information on the Homebuyer Assistance program, assists with credit review, counsels the tenants on improving credit and prepares the tenant to purchase a home. In addition, all participants in the Homebuyer Assistance program are required to take part in a pre-purchase counseling program provided by Housing Opportunities Inc., the organization that runs the Homebuyer Assistance program. Housing Opportunities, Inc. evaluates the credit worthiness of prospective homebuyers and assists participants in resolving credit history problems, establishing a household budget and saving for the required downpayment. Housing Opportunities Inc. is a HUD approved counseling agency. Participants are required to attend a home maintenance workshop designed to acquaint new homebuyers with skills needed for home maintenance. Post-purchase counseling is in place for 5 year after the purchase of the home. This counseling includes sessions every 3 months for the first year and then yearly thereafter for 4 years.

HOMELESS

Specific Homeless Prevention Elements

*Please also refer to the Homeless Needs Table in the Needs.xls workbook.

1. Sources of Funds—Identify the private and public resources that the jurisdiction expects to receive during the next year to address homeless needs and to prevent homelessness. These include the McKinney-Vento Homeless Assistance Act programs, other special federal, state and local and private funds targeted to homeless individuals and families with children, especially the chronically homeless, the HUD formula programs, and any publicly-owned land or property. Please describe, briefly, the jurisdiction's plan for the investment and use of funds directed toward homelessness.
2. Homelessness—In a narrative, describe how the action plan will address the specific objectives of the Strategic Plan and, ultimately, the priority needs identified. Please also identify potential obstacles to completing these action steps.
3. Chronic homelessness—The jurisdiction must describe the specific planned action steps it will take over the next year aimed at eliminating chronic homelessness by 2012. Again, please identify barriers to achieving this.
4. Homelessness Prevention—The jurisdiction must describe its planned action steps over the next year to address the individual and families with children at imminent risk of becoming homeless.
5. Discharge Coordination Policy—Explain planned activities to implement a cohesive, community-wide Discharge Coordination Policy, and how, in the coming year, the community will move toward such a policy.

Program Year 3 Action Plan Special Needs response:

1. Beaver County is applying for \$1.514 million of funding through its Continuum of Care Application for competitive McKinney-Vento Homeless Assistance Act funding. This application includes \$55,597 for renewal of the Homeless Management Information System (HMIS) project, \$175,561 for a renewal for Melrose Place which is a supportive services program for 8 chronically homeless elderly individuals with severe mental illness, \$328,860 for the Young Consumers program which is a supportive services for 8 young people with mental health disabilities (age 18-25) who are chronically homeless, \$389,911 for a renewal for Stone Harbour which is a supportive services program for 12 people who are chronically homeless with severe mental illness and substance abuse issues and \$79,758 for a renewal project for the Freedom project which is a supportive services program for 15 chronically homeless families where a member has severe mental illness. The first priority new project application is for \$484,500 to provide tenant-base rental assistance for 22 individuals chronically homeless with severe mental illness. Participants may also be veterans and people with chronic substance abuse issues. The County received \$395,570 in 2006 Supportive Housing and Shelter Plus Care funds for the following projects: \$55,597 for the HMIS project, \$175,561 to renew the Melrose Place program, and \$164,412 to renew the Young Consumers program.

The County will also apply for \$153,000 in state HAP (Homeless Assistance) funding which will be used as follows:

BCCHDO - \$1,250 for emergency shelter and \$24,000 for case management, Contact Beaver Valley - \$7,800 for Case Management, Harbor Point Housing - \$39,000 for Case management, Salvation Army - \$3,000 for emergency shelter, the Voluntary Action Center - \$38,909 for rental assistance and the Women's Center of Beaver County - \$14,000 for emergency shelter and \$22,000 for case management.

The County has applied for \$160,691 in state ESG (Emergency Shelter Grant) funding which will be used by Supportive Services, Inc. for shelter operations and rehabilitation. Supportive Services, Inc. will provide the match with funding MH/MR funding.

Beaver County will provide \$162,230 of Federal ESG funds to support the operation of various shelters throughout the County. Beaver County's single priority for Homeless Assistance is to provide assistance to the homeless population and those at risk of becoming homeless through non-profit organizations and other public agencies. \$19,113 will be used for Case Management by the Salvation Army Friendship Homes which is a scattered site shelter program for homeless families. The match for this project will be supportive housing funds. The specific agency allocations of the remaining Federal ESG funds have not yet been determined. Projects will be chosen so that no more than 30 percent of the total ESG grant will be used for essential service activities, no more than 30 percent of the total ESG grant will be used for homeless prevention activities and no more than 10 percent of the total ESG grant will be used for operational costs. The applicant agencies are made aware of the limits through the application process. In addition, as part of the evaluation process, projects are chosen in accordance with these requirements. Finally, the terms of each agreement specify what payment will be made for in each project. Match for these ESG projects will be provided by the agencies that are allotted funds. The County hopes to serve at least 180 homeless or near homeless people with this funding. In addition, the HMIS Continuum of Care funding application will be matched with \$15,000 from CDBG funds. HMIS is a web-based system to track homeless individuals and the services that are provided to them.

2. Beaver County uses a Continuum of Care approach to assist homeless families and individuals. This Continuum encompasses the Activities identified in the County's action plan including: (Activity #1) Prevention of homelessness among low income families and individuals, (Activity #2) Outreach to homeless persons and assessment of individual needs, and (Activity #3) Addressing the emergency shelter and transitional housing needs of homeless persons. The County through funding to agencies that serve homeless will also assist the homeless make the transition to permanent housing. The priority needs identified include: Emergency shelters for homeless single men and families where domestic violence is not an issue, emergency shelter for men who have no income and/or have previous criminal records, transitional housing with supportive services for families, transitional and permanent housing for persons with disabilities, drug and/or alcohol issues or criminal histories, supportive services assistance in permanent housing units, and safe haven for the chronically homeless with mental health issues. A point-in-time was conducted on January 27, 2007. Four volunteers did a street count and questionnaires were mailed to agencies throughout Beaver County. After the point-in-time was conducted it was determined that there are 138 individuals who are homeless in the County of Beaver.

The Continuum includes the County's strategy of helping low income households avoid homelessness, reaching out to the homeless and assessing their needs, addressing emergency shelter and transitional housing needs and helping the homeless make the transition to permanent housing through prevention services, outreach and assessment, day centers, emergency shelters, transitional and permanent housing and supportive services. Emergency shelter is provided by the Women's Center of Beaver County which provides only emergency shelter and supportive services. Transitional shelter is provided by Friendship Homes which provides emergency to permanent housing with supportive services as part of one process, and Help House which provides emergency to transitional housing with supportive services as part of one process. The Women's Center also provides transitional shelter for women and children that are homeless due to domestic violence. Permanent housing with supportive services for homeless persons with disabilities is provided by Harbor Point Housing, Supportive Services, Inc. and Friendship Homes. Homeless services are available to families, individuals, and persons with special needs including HIV/AIDS, the handicapped, substance addiction and mental health disabilities.

The Housing and Homeless Coalition of Beaver County which grew out of the Homeless Task Force and has taken the place of the Housing Consortium of Beaver County is the lead agency for the County's Continuum of Care, conducting an annual point-in-time survey, providing the County's Continuum of Care funding application and fostering relationships with local community groups including municipal police departments, area school districts, local churches, Geneva College and other entities who can assist in identifying the homeless and/or collaborate in ways to address their needs.

In order to prevent homelessness among low income families and individuals (Activity #1), the County will continue to support nonprofit organizations that financially assist low income renter and/or owner households. In order to provide outreach to homeless persons and assess individual needs (Activity #2), the County will continue to work with and support outreach program and various agencies in the County that address the causes of homelessness on a case-by-case basis. In order to address the emergency shelter and transitional housing needs of homeless persons (Activity #3), the County will continue to budget CDBG and ESG funds to nonprofit organizations that provide emergency shelter and transitional housing to homeless individuals and families.

With state HAP funding, the County will continue to fund the Homeless Helpline, run through Contact Beaver County, Inc. This program provides a toll-free number to reach a counselor who refers the caller to appropriate agencies and programs for assistance. HAP funds will also be used to fund Rental Assistance through the Voluntary Action Center. Finally, ESG and HAP funds will be used for operations of homeless shelters throughout Beaver County.

The obstacles to completing the action steps are lack of a traditional men's shelter and the inadequacy of funding for the Continuum of Care services.

3. Beaver County's strategy for ending homelessness by 2012 is to provide appropriate housing opportunities coupled with strong supportive services to stabilize individuals and their families and assist them in achieving long-term permanent housing. The Housing and Homeless Coalition of Beaver County will continue to work with a group of local churches which began providing emergency shelter to chronic homeless individuals in 2004. The churches house the homeless on a rotating basis with the goal of providing emergency shelter on a 24/7 schedule. The Long Term Mental Health Unit will continue to provide a temporary emergency shelter for single adults with mental illness. Once in the shelter, the individual is evaluated and a service plan is developed which includes housing placement in a transitional or permanent housing program with supportive services. The County Office of Veterans Affairs and the Vietnam Veterans Leadership Program continue to collaborate to provide a direct system linking veterans who often comprise a large percentage of the chronically homeless, to health care and other veteran resources as well as working directly with the consumer to resolve their specific issues. Harbor Point Housing Inc. will continue to provide permanent housing and supportive services for up to 15 chronically mentally ill single adults. The program has been consistently at capacity since its inception in November 2001.

The barriers to achieving the elimination of chronic homelessness continue to be the lack of a traditional men's shelter and a deficit in the continuum of care services. This issue continues to present problems for homeless individuals without mental illness who can be assisted with other services (such as Harbor Point Housing). In some instances, the County must send these chronic homeless individuals to locations outside the County for assistance. The Housing and Homeless Coalition of Beaver County recognizes the need within Beaver County for an emergency shelter for men, transitional housing for individuals and permanent housing for persons that are chronically homeless. The County, working in conjunction with the Housing and Homeless Coalition of Beaver County, will continue to encourage programs with strong supportive service components that address the special needs of this population including: criminal histories that severely limit their ability to secure public housing, poor credit histories that limit their ability to secure decent affordable housing, mental illness, and drug and alcohol abuse. Although the number of available emergency shelter beds appears to meet the current need, the numbers do not reflect the absence of an emergency shelter for men who do not have mental illness.

The HMIS (Homeless Management Information System) will help the task force more accurately count and better identify the needs of the chronically homeless as well as assist in connecting consumers to mainstream resources.

4. Activity #1 of the plan, as it pertains to homeless assistance, is the prevention of homelessness among low-income families and individuals. Beaver County continues its support and coordination of the network of organizations that are committed to the prevention of homelessness by offering assistance in a number of ways. As part of the County's Continuum of Care process, as outlined in the 10-Year Plan, the County has established the following action steps to be taken in 2007 to address the needs of individuals and families with children at imminent risk of becoming homeless:

- Secure 19 new tenant-based rental assistance vouchers for chronically homeless disabled individuals.

- Identify financing for a proposed Safe Haven/Permanent Housing facility planned for 2008-2009.
- Identify potential structure for proposed Safe Haven/Permanent Housing facility planned for 2008-2009.
- Educate local providers on the importance of having participants remain in permanent housing at least 7 months.
- Monitor permanent housing providers on a quarterly basis when APR's are submitted to HUD to identify missed goals.
- Utilize HMIS to track case management, services and outcomes of program participants.
- Adjust program goals to a period of 7 months.
- Educate local providers on the importance of having transitional housing participants move to permanent housing.
- Assess follow-up procedures and exit interview processes to determine accuracy of where transitional housing participants are moving.
- Monitor transitional housing providers quarterly when APR's are submitted to HUD to identify missed goals.
- Assess transitional housing programs to determine if they should become permanent housing programs.
- Include mandatory education or work readiness programs in program and individual goals.
- Work to remove common barriers to employment (i.e. criminal records, GED completion, etc.)
- Utilize county resources to provide transportation to employment centers.
- Continue to provide ongoing training to maximize utilization of HMIS by all CoC providers.
- Institute peer support for HMIS.
- Monitor, compile and distribute relevant HMIS data(at least quarterly) to increase effectiveness.
- Fully integrate the point-in-time survey with HMIS.

5. With state HAP funding, the County will continue to fund the Homeless Helpline, run through Contact Beaver County, Inc. This program provides a toll-free number to reach a counselor who refers the caller to appropriate agencies and programs for assistance. HAP funds will also be used to fund Rental Assistance through the Voluntary Action Center. Finally, ESG and HAP funds will be used for operations of homeless shelters throughout Beaver County which serve families with children.

6. Through the Housing and Homeless Coalition of Beaver County a Discharge Coordination policy and protocol was discussed, developed, finalized and implemented in the areas of foster care, health care, mental health and corrections. The HMIS (Homeless Management Information System) will assist the agencies that deal with the homeless or those at risk of becoming homeless in creating the seamless referral and delivery of services that is required in discharge planning. Through funding the HMIS (Homeless Management Information System) the existing General Housing Management Information System will be expanded to include tracking consumers beyond the intake and referral process to tracking the consumer throughout the system, providing vacancy reports, providing case management capabilities and expanding the information system to better address the needs of the consumer including access to mainstream services such as Medicaid, Food Stamps, TANF, etc.

Emergency Shelter Grants (ESG)

(States only) Describe the process for awarding grants to State recipients, and a description of how the allocation will be made available to units of local government.

Program Year 3 Action Plan ESG response:

This does not apply to Beaver County.

COMMUNITY DEVELOPMENT

Community Development

*Please also refer to the Community Development Table in the Needs.xls workbook.

1. Identify the jurisdiction's priority non-housing community development needs eligible for assistance by CDBG eligibility category specified in the Community Development Needs Table (formerly Table 2B), public facilities, public improvements, public services and economic development.
2. Identify specific long-term and short-term community development objectives (including economic development activities that create jobs), developed in accordance with the statutory goals described in section 24 CFR 91.1 and the primary objective of the CDBG program to provide decent housing and a suitable living environment and expand economic opportunities, principally for low- and moderate-income persons.

*Note: Each specific objective developed to address a priority need, must be identified by number and contain proposed accomplishments, the time period (i.e., one, two, three, or more years), and annual program year numeric goals the jurisdiction hopes to achieve in quantitative terms, or in other measurable terms as identified and defined by the jurisdiction.

Non-profit Organization Capacity Building (Matrix Code 19C) The County will use \$50,000 in CDBG funds administration for coordinating community groups in Aliquippa to develop a community center.

2. Please refer to the *Project Sheets* and *Objectives* tabs for more information. The County's CDBG program seeks to increase the availability, accessibility, affordability and the sustainability of decent housing, a suitable living environment and /or economic opportunity for persons with low-mod incomes and in slum and blighted areas. It is anticipated that all projects are expected to be completed within two years unless otherwise noted.

Increase the Availability/Accessibility of Decent Housing (DH-1) This objective will be met through a first-time homebuyer program (assist 25 people), the support of at least two private or non-profit rental housing developments (add 100 units and assist 1 CHDO), developing and maintaining a variety of housing options for elderly households (100 additional units and 6 rehabilitated units), addressing accessible housing gaps (10 houses renovated), and addressing the housing and supportive services needs of persons with alcohol and other addictions (1 project). In addition, the emergency shelter and transitional housing needs of homeless persons will be met under this objective through funding the operation and rehabilitation of shelters and transitional housing (assist 330 people), funding the HMIS project (assist 100 people) and providing case management to homeless persons (assist 330 people).

Increase the Affordability of Decent Housing (DH-2) This objective will be met through providing rental assistance to low income renters in Beaver County through the Section 8 Housing Choice Voucher Program (605 vouchers).

Increase the Sustainability of Decent Housing (DH-3) This objective will be met through improving the quality of owner housing in 25 owner-occupied units, funding energy efficiency improvements in 32 owner or renter households, fund emergency home repairs in 25 owner-occupied households, providing supportive services for 11 elderly households, providing supportive services for 43 people with mental health disabilities, funding rat abatement services to 300 households and providing funding for fair housing activities. In addition, the prevention of homelessness will be met under this objective through the support of nonprofits that financially assist low income households (assist 419 people), as well as the provision of permanent housing and supportive services for the homeless (assist 39 people)

Increase the Availability/Accessibility of a Suitable Living Environment (SL-1) This objective will be met by addressing public facilities and infrastructure needs through park and recreation improvements (2 projects that benefit 15,019 people with disabilities), general public facilities improvements (\$150,000 for 2 projects that benefit 6 people and improve one public facility, sewer and waterline projects (\$50,000 for 1 project that benefits 30 people), handicapped center improvements (1 facility), and street improvements (benefit 8 people). This will also be met by funding a youth public service program (\$66,000 to assist 150 youth).

Increase the Affordability of Suitable Living Environment (SL-2) There are no annual objectives identified under this goal.

Increase the Sustainability of a Suitable Living Environment (SL-3) This objective will meet the public facilities and infrastructure priority need through neighborhood facilities improvements (4 facilities), water and sanitary sewer improvements (\$50,000 for 2 projects in 1 community benefiting 3116 people), street improvements (\$347,000 for 9 projects benefiting 13,347 people), sidewalk improvements (\$250,000 for 3 projects in 3 communities benefiting 27,609 people), storm sewer improvements (\$111,000 for 3 projects benefiting 2351 people), general infrastructure projects (\$50,000 for 1 project benefiting 26 people), and demolition (14 structures). This objective will also be met by non-profit capacity building (3 organizations), and repayment of a Section 108 loan (\$585,105). The repayment of the Section 108 loan is expected to be completed within one year.

Increase the Availability/Accessibility of Economic Opportunity (EO-1) This objective will meet non-homeless special needs by providing employment training services for people with disabilities (\$50,000 to assist 20 people). This objective will also meet economic development needs through micro-enterprise assistance (\$50,000 to assist 10 businesses).

Increase the Affordability of Economic Opportunity (EO-2) This objective will be met through direct financial assistance to low income businesses (create 1 job).

Increase the Sustainability of Economic Opportunity (EO-3) This objective will be met through the rehabilitation of publicly or privately-owned commercial or industrial buildings (\$350,000 for 10 buildings and assist 15 businesses) and for economic development technical assistance (\$90,000 to assist 10 organizations).

To provide benefit to the people of Beaver County through funding planning activities and studies (O-1) This planning priority need will be met through utilizing \$75,000 to fund 2 studies and 1 planning project.

Antipoverty Strategy

1. Describe the actions that will take place during the next year to reduce the number of poverty level families.

Program Year 3 Action Plan Antipoverty Strategy response:

1. The County, through the CSBG Program, administers an anti-poverty program funded with approximately \$400,000 annually. Program elements include: employment, youth programs, crisis prevention, outreach and referral, legal services,

domestic violence prevention, respite services, home ownership and consumer services. The County also administers approximately \$190,000 in state funding for the Supported Work Program which encompasses job training and placement for people who are or had been receiving assistance. The County is currently involved in collaboration with the Greater Pittsburgh Area Food Coalition to provide a better system of food distribution in Beaver County.

NON-HOMELESS SPECIAL NEEDS HOUSING

Non-homeless Special Needs (91.220 (c) and (e))

*Please also refer to the Non-homeless Special Needs Table in the Needs.xls workbook.

1. Describe the priorities and specific objectives the jurisdiction hopes to achieve for the period covered by the Action Plan.
2. Describe how Federal, State, and local public and private sector resources that are reasonably expected to be available will be used to address identified needs for the period covered by this Action Plan.

Program Year 3 Action Plan Specific Objectives response:

1. & 2. *Beaver County's #1 priority is Affordable, Accessible Housing for the Elderly by encouraging the provision of supportive services for elderly households.* Through its Capital and Operating funds, the HACB will employ 3 caseworkers to coordinate the provision of supportive services for elderly public housing residents. With \$50,000 CDBG funding, the County will provide monitors for frail and homebound elderly.

Beaver County's #2 priority is to provide affordable, accessible housing and supportive services for persons with disabilities by supporting activities that address the housing and supportive service needs of person with disabilities. Through the PAHP program 10 owner-occupied homes will be made accessible for a disabled family member. The HACB will continue to address accessible housing gaps by continuing the construction of 23 new units of public housing to accommodate person with mobility impairments. Beaver County will continue to encourage human service agencies to identify and address the supportive service needs of persons with disabilities. In addition, the HACB will begin a new initiative to provide public housing to people who have both mental health disabilities and alcohol and other drug addictions. An application for a Section 811 project by Passavant Memorial Homes will provide 3 persons with severe developmental disabilities housing and supportive services.

Beaver County's #3 priority is to provide affordable housing and supportive services for persons with alcohol and other additions. \$75,000 in CDBG funds will be utilized to make the Drug and Alcohol Services of Beaver Valley building handicapped accessible. In addition, the HACB will begin a new initiative to provide public housing to people who have both mental health disabilities and alcohol and other drug addictions. Beaver County will also encourage human service agencies identify and address the housing and supportive service needs of persons with alcohol and other

drug additions and endorse applications for public and/or private funds to provide the housing and supportive service needs of this population.

Beaver County's #4 priority is to provide affordable housing and supportive services for persons with AIDS and related diseases. Beaver County will encourage human service organizations that serve persons with AIDS and related diseases to continue to identify and address the housing and supportive services needs of this population by endorsing applications for public and/or private funds to address these needs.

Beaver County's #5 priority is to improve the quality of life for public housing residents by encouraging the HACB to develop additional accessible units, supportive services, resident initiatives and homeownership opportunities for public housing residents. The HACB will continue to construct or substantially renovate 23 additional accessible housing units, provide elderly supportive services, provide computer labs and training for public housing residents. The HACB also funds the SHARES program which assist residents through financial counseling, leadership training, ISA accounts, crime watch programs, family activities, education services, business plan development, and summer youth employment.

Needs of Victims of Domestic Violence – There are approximately 150 victims of domestic violence, dating violence, sexual assault and stalking that are in need of housing. These victims (both women and men) are served by the Women's Center of Beaver County which provides shelter, transitional housing and supportive services for them. In addition, the Women's Center works closely with the Housing and Homeless Coalition of Beaver County to assist these victims find permanent housing.

COUNTY OF BEAVER
FY 2007 ACTION PLAN FOR HOUSING
AND COMMUNITY DEVELOPMENT PROGRAMS**

In accordance with the Beaver County Citizen Participation Plan, the County will hold a housing and community development needs hearing at the following time and location:

Thursday, May 3, 2007 at 10:00 A.M.
Commissioners' Meeting Room
Beaver County Courthouse
810 Third Street, Beaver, PA 15009

This location is accessible to the handicapped. Persons requiring special accommodations can make arrangements by contacting the Community Development Program of Beaver County, 1013 Eighth Avenue, Beaver Falls, PA 15010, (724) 847-3889, TDD - (724) 847-2946. Written comments on housing and community development needs may be forwarded to the Community Development Program of Beaver County, 1013 Eighth Avenue, Beaver Falls, PA 15010.

The purpose of the public needs hearing is to:

1. Obtain the views and comments of individuals and organizations concerning the County's housing and community development needs. The information gathered will be used in the preparation of the County's FY 2007 action plan for the use of Community Development Block Grant (CDBG) Program funds, HOME Investment Partnerships (HOME) Program funds, American Dream Downpayment Initiative (ADDI) Program funds, and Emergency Shelter Grant (ESG) Program funds.
2. Review the County's CDBG, HOME, ADDI, and ESG Programs (including ESG funds received through the PA Department of Community and Economic Development) and provide an opportunity for the public to comment on program performance.
3. Summarize the Consolidated Planning process.

All interested individuals and organizations are invited to attend the above noted hearing and offer their views and comments on the housing and community development needs of the County of Beaver. The County anticipates the publication of a summary of its proposed Annual Plan on or about May 24, 2007. The Annual Plan will be placed on public display for a thirty (30) day review period. The County will consider comments on the proposed plan prior to adoption of the County's FY 2007 Annual Plan by the County Commissioners. Notice of the display date and subsequent public hearings will be properly advertised. The County is expected to submit the adopted plan to the U.S. Department of Housing and Urban Development on or before July 17, 2007.

Carl DeChellis, Housing Authority of the County of Beaver
Linda Swaney, Habitat for Humanity
Jonathan Pettis, Aliquippa Alliance for Unity & Development
Joseph C. West, Beaver County Planning Department

Ms. Signore, Director of the Beaver County Community Development Program conducted the hearing.

Today's hearing is the first of two public hearings to be conducted on the proposed amendment to the County's Consolidated Plan.

Ms. Signore presented the following information:

The Community Development Program staff attempts to make allocation recommendations that are fair and equitable and in the best interest of the County as a whole. The awards are made in an attempt to be consistent with the overall goal of the program, which is "to improve the quality of life of county residents and to improve economic and housing opportunities especially for lower income persons and to assist the homeless and those at risk for homelessness". The process of awarding allocation is highly competitive since the amount of the requests for funds is two and one half times more than the amount available for awards. In view of that, project requests are screened and evaluated very carefully using the following criteria for review:

1. Eligibility according to HUD regulations.
2. The total number of low-income persons that will be saved.
 - a. On an individual project basis, at least fifty-one percent (51%) of the persons living in the project benefit area must meet HUD's income guidelines.
 - b. On an overall basis, seventy percent (70%) of CDBG expenditures must be for projects benefiting low-income persons.
3. Whether the project activity will prevent or eliminate a condition of slum and blight.
4. Whether the project activity will prevent or eliminate a condition of slum and blight.

5. The size of the geographic area the project will serve.
6. The general economic impact of the project.
7. Previous funding history.

The purpose today is to record any concerns or comments that may be significant in the overall planning process and may be used to further evaluate the goal of the program and the proposed methods and activities to achieve that goal.

-91 Projects submitted

-\$5,237,899.09 requested

-Proposed listing to be published 5/24/07

-Public display period 5/25/07 – 6/29/07

-Final version presented to:

Board of Commissioners of Beaver County 6/28/07

HUD 7/17/07

The meeting was opened for public input on housing and community development needs and needs that can be met through HUD's Section 108 loan program.

Mr. DeChellis spoke of the replacement housing in Beaver Falls, this is land given debt free and the Housing Authority builds on it. They are looking to start building in New Brighton, Rochester and Freedom as well. These homes must be public housing first, and then they can be sold.

Mr. DeChellis asked that the Home Improvement Program allocation not be reduced. He stated that they are one of the only programs that pays the county back. He asked that the grant amount be increased to help them function.

Ms. Swaney questioned when the applications are due to the Housing Authority for the Home Improvement Program. Mr. DeChellis answered they are due in August and September.

Ms. Swaney and Mr. DeChellis asked what the priorities are on allocating the grant money each year. Ms. Signore explained that it is based on the need and income. Areas of high income cannot meet the qualification guidelines. Only pockets of low income areas within the higher income areas can be considered.

Mr. DeChellis recommended that housing rehab become a higher priority over road paving, etc...

Ms. Signore explained the evaluation process to Ms. Swaney so she better understands how the projects that get funded are chosen. She also explained Act 137 funding and how it must be used for affordable housing initiatives.

Everyone was in agreement that it is important to continue funding the paving, parks, libraries, etc...

Mr. Pettis stated that AAUD is in a crisis situation and if things don't get better, they will have to close their doors. Their funding is drying up, so they are trying to restructure. Mr. Pettis said that if nothing else, they need to keep the Franklin Center open.

Mr. Pettis mentioned a church in Hopewell that is interested in coming to Aliquippa to run a leadership program. They are asking for one 3 bedroom apartment and two 2 bedroom apartments in Aliquippa. They would also need funding to run the faith based program.

Ms. Signore suggested that the non profit groups in Aliquippa unite and work together under the same roof. This will help the community by having everything they need in one area of the city. This will also benefit the organizations in many ways.

Ms. Swaney suggested that Mr. Pettis look into Youth Build and Hosanna House for some guidance/inspiration.

There being no further public comments, the hearing was adjourned at 12:30 PM.

Sandy:

As part of the HUD Consolidated Plan, a public needs hearing was held on May 3, 2007 at 10:00 a.m. in the Commissioners' Meeting Room at the Beaver County Courthouse. I will insert your email in to the plan so that it will become an official component of the public participation process.

On May 24, 2007, a list of proposed projects will be published in the Beaver County Times. At that time, the public will have an opportunity to view and comment on the proposed projects.

Greene Township has been tentatively selected for a grant of \$5000 for the feasibility study for the garage. Please note that funding will not be obligated until the entire Consolidated Plan process is completed and acceptable to HUD. We will likely receive the notification from HUD in October or November of this year.

If you have further questions, please feel free to contact me.

Thank you.

Hi Lisa,

Hope this finds you well and enjoying this awesome spring weather-long overdue!

Just wanted to touch base with you regarding the decision process. What happens next? Is it worth our time to convince the Commissioners that ours is a worthy project, or do they totally rely on your evaluations? We're so anxious to get started with our building study-it's been 17 years in this "makeshift" office building-and I'm not getting any younger (but I do tell people I'm not getting any older either!)

RE: Home Improvement Program
Proposed Funding Allocations

Dear Chairman Spanik,

After attending the most recent Public Hearing on CDBG allocations for the upcoming year, I was compelled to compose this correspondence as a request regarding the funding allocation for the Beaver County Home Improvement Program which is administered by the Housing Authority of the County of Beaver. In last years CDBG budget the H.I.P. funding was reduced by \$100,000.00. That decrease not only reduced the number of Beaver County residents that we are able to assist with home improvements, but it had a devastating impact on the administrative budget which permits this Authority to efficiently and properly operate the program for the County.

The following is a summation of the benefits which the H.I.P. has provided county residents over the past 32 years and Beaver County should be proud of these efforts in helping residents improve and maintain their homes.

The H.I.P. has provided \$22,447,234.77 to housing rehabilitation efforts for low/moderate income households throughout all of Beaver County.

In the 32 years that the program has been operational 2,905 households have been assisted. Over the past 14 years, since this type of record keeping began, the following information describes the composition of those county residents assisted:

Families assisted: 528 (57.2%)	Female Head of Household: 496 (53.8%)
Average Household Size: 2.4	Average Age of Head of Household: 55

All recipients are in the Low/Moderate Income Range. 401 (43.5%) of all assisted households were in the Very Low Income Range.

In 1998, the 24th Year, the program was changed to a combination Loan/Grant form of assistance. In 2004, the 30th Year, the Tier System was implemented. 360 households have been assisted during the past 9 year period. As a result 387 repayable loans have been created.

Those 387 loans have generated \$1,372,104.52 in revenue which has been returned to the Community Development Program for reprogramming and funding of additional programs. The H.I.P. is, to my knowledge, the only Beaver County program in operation that recoups and reinvests funds to the County which you allocate.

In 2006, this office returned \$247,959.11 to the Community Development Program for reprogramming. That amount represents 34.7% of the H.I.P. Annual funding allocation, or 45.1% of our program funds (total allocation less administrative costs). It is anticipated that this amount should remain consistent for future years, dependent upon sustaining our Pre-2006 funding allocations. In essence, for the 2006 program year, the H.I.P. was operated for a cost of \$467,040.89, which translates into an experienced, capable, competent staff assisting and improving the living conditions of 45 Beaver County low/moderate income homeowners.

The Housing Authority of the County of Beaver is respectfully requesting that funding allocations for the upcoming 33rd Year CDBG Program be increased to their previous levels of at least \$815,000.00 by allocating HOME and Act 137 funds to compliment the CDBG allocation. This level of funding will permit us to assist more Beaver County homeowners and more importantly, it will allow this office to meet its administrative budget demands, which as we are all aware, increase in substantial amounts year after year. This is the case due to the fact that our administrative budget is dictated by the total annual funding allocation of the H.I.P. as mandated by CDBG regulations.

Without this sustained funding allocation, it is a distinct and real probability that the Home Improvement Program will need to be discontinued. This would remove the last means available to those financially less fortunate Beaver County homeowners, who are in need of assistance in order to provide themselves with a safe and sanitary living environment. Additionally the overall improvement of Beaver County's existing housing stock in general, would suffer.

If you should have any questions please feel free to contact me at 724-775-1220, Extension 22.

Respectfully Submitted,

Carl DeChellis, Executive Director

RE: Public Notice for Consolidated Plan

A review of applications submitted for funding for the 33rd Year Community Development Block Grant (CDBG) Program has been conducted.

Enclosed is a copy of the Public Notice of the Proposed Consolidated Plan and Funding Application for Fiscal Year 2007 that announces the County's intention to request funding from the U.S. Department of Housing and Urban Development for the projects listed in the notice.

If the project(s) for which you applied is (are) not listed on the notice, then funding has not been recommended for this year. I encourage you to continue to submit annual applications for the CDBG program. The Community Development Program and the County Board of Commissioners are dedicated to supporting an equitable, balanced funding plan each year.

Should you have questions regarding the funding plan or the eligibility of the requested project(s), please contact me at 724-847-3889, Extension 13.

Thank you for your continued interest in the programs that are offered through the Community Development Program.

PUBLIC NOTICE
PROPOSED CONSOLIDATED PLAN AND FUNDING APPLICATION FOR FY 2007

In accordance with the federal regulations at 24 CFR, Parts 91 et al., the County of Beaver is required to prepare and submit a Consolidated Plan for its Housing and Community Development Programs to the U.S. Department of Housing and Urban Development (HUD). Notice is hereby given by the County of Beaver that a proposed Consolidated Plan has been prepared, and the County intends to apply for \$3,982,676 in federal Community Development Block Grant (CDBG) funds, \$170,730 in Emergency Shelter Grant (ESG) funds, and \$803,442 in HOME funds for FY 2007. In addition, the County anticipates the receipt of \$13,545 in FY 2007 American Dream Downpayment Initiative (ADDI) funds, program income in the amount of \$240,000 and revolving loan fund program income in the amount of \$7,500. The County intends to use these funds and \$306,455 of Act 137 Affordable Housing Fund monies to fund the Consolidated Plan projects.

In order to obtain the views of citizens, public agencies and other interested parties, the County of Beaver has placed its proposed Consolidated Plan and proposed use of funds for FY 2007 on display in the following locations during normal operational hours:

1. Community Development Program of Beaver County, 1013 Eighth Avenue, Beaver Falls, PA
2. Beaver County Commissioners Office, County Courthouse, 810 Third Street, Beaver, PA
3. Housing Authority of Beaver County, 300 State Street, Vanport, PA
4. B. F. Jones Memorial Library, 663 Franklin Avenue, Aliquippa, PA
5. Carnegie Free Library, 1301 Seventh Avenue, Beaver Falls, PA
6. Carnegie Library, 61 Ninth Street, Midland, PA

The information will be available for review for 30 days beginning May 25, 2007. Public comment on the proposed Consolidated Plan can be directed to the Community Development Program of Beaver County, 1013 Eighth Avenue, Beaver Falls, PA 15010. Public comment must be received no later than June 29, 2007.

The Consolidated Plan and proposed use of funds for FY 2007 contains the following major components:

1. Identification of federal and non-federal resources reasonably expected to be made available during the program year to undertake activities identified in the five year Consolidated Plan.
2. A list of activities to be undertaken during the program year to address community development and housing needs including the geographic distribution of activities to be completed.
3. Identification of homeless and special needs activities to be undertaken during the annual program period.

The Consolidated Plan and proposed use of funds for FY 2007 was developed after a public hearing held on May 3, 2007, in accordance with the Citizen Participation Plan and the review of requests from local communities identifying needs. Notice is hereby given that the County of Beaver will hold a public hearing on Tuesday, June 26, 2007 at 10:00 A.M. in the Commissioners' conference room at the Beaver County Courthouse to obtain final comments on the Consolidated Plan and proposed use of funds for FY 2007. Persons interested in the use of the above-identified funding sources are encouraged to attend this public hearing and provide oral or written testimony. The County Courthouse is handicapped accessible. Persons requiring special accommodations can make arrangements by contacting the Community Development Program at 724-847-3889.

The County Commissioners are expected to act on the proposed Consolidated Plan and proposed use of funds for FY 2007 on June 28, 2007 at the regularly scheduled Commissioners public meeting. The final Consolidated Plan and application will be submitted to HUD on or before July 17, 2007.

Special Note Regarding Historic Preservation:
By this notice, the County invites parties who may have an interest in projects that may impact historic resources, to make themselves known so that the County can involve them in the notification and review process of the National Advisory Council on Historic Preservation (as set forth in 36 CFR Part 800). Please contact the Community Development Program of Beaver County no later than August 1, 2007 to be included in the Part 800 notification process for FY 2007.

The Consolidated Plan and proposed use of funds for FY 2007 was developed after a public hearing held on May 3, 2007, in accordance with the Citizen Participation Plan and the review of requests from local communities identifying needs. Notice is hereby given that the County of Beaver will hold a public hearing on Tuesday, June 26, 2007 at 10:00 A.M. in the Commissioners' conference room at the Beaver County Courthouse to obtain final comments on the Consolidated Plan and proposed use of funds for FY 2007. Persons interested in the use of the above-identified funding sources are encouraged to attend this public hearing and provide oral or written testimony. The County Courthouse is handicapped accessible. Persons requiring special accommodations can make arrangements by contacting the Community Development Program at 724-847-3889.

The County Commissioners are expected to act on the proposed Consolidated Plan and proposed use of funds for FY 2007 on June 28, 2007 at the regularly scheduled Commissioners public meeting. The final Consolidated Plan and application will be submitted to HUD on or before July 17, 2007.

Special Note Regarding Historic Preservation:

By this notice, the County invites parties who may have an interest in projects that may impact historic resources, to make themselves known so that the County can involve them in the notification and review process of the National Advisory Council on Historic Preservation (as set forth in 36 CFR Part 800). Please contact the Community Development Program of Beaver County no later than August 1, 2007 to be included in the Part 800 notification process for FY 2007.

RE: 2007 Consolidated Plan
North Sewickley Township
Electronic Message Center

To Whom It May Concern:

Please accept this letter as my endorsement North Sewickley Townships' request for \$23,000 for an electronic message center that would benefit the community. It would help would consolidate two existing signs and would be shared by the fire department, community and township.

The electronic messaging center would enhance the aesthetics of the township building and permit the community to display useful public service messages. Therefore, I am respectfully asking for your approval of North Sewickley Township's Community Development Program application. If you have any questions regarding my endorsement of this application, please do not hesitate to contact me. Thank you.

Sincerely,

MINUTES FROM PUBLIC HEARING

FOR THE BEAVER COUNTY FY 2007 ACTION PLAN

Commissioners Meeting Room, Beaver County Courthouse

10 AM

June 26, 2007

Attendance:

Lisa Signore, Community Development Program of Beaver County
Kacie Higgins, Community Development Program of Beaver County
Carlo Pisani, Koppel
Jim Culler, Baker Engineering

Lisa Signore, Director of the Beaver County Community Development Program conducted the hearing.

Today's hearing is the second of two public hearings to be conducted on the proposed amendment to the County's Consolidated Plan.

Lisa Signore presented the following information:

Purpose	To receive comments about the proposed activities to be funded under the F.Y. 2006 Community Development Block Grant Program, the HOME Program, the Emergency Shelter Grant Program and the Act 137 Affordable Housing Program. Second public hearing regarding the 2006 Consolidated Plan. First hearing was held Tuesday, May 9, 2006 for the purpose of receiving input regarding community development and housing needs.
Consolidated Plan	A proposed list of project activities under the 2006 Consolidated Plan Funding Strategy was published in the Beaver County Times on May 18, 2006 and was placed on display at various locations throughout the County from May 19, 2006 – June 20, 2006.
Amounts	The Funding Strategy provides for: 4,298,547.00 in CDBG activities 809,950.00 in HOME activities 170,018.00 in Emergency Shelter Grant activities 166,455.00 in Act 137 activities
Applications	There were 59 separate entities that submitted requests for CDBG funds. There were 112 project requests. The amount of the requests totaled \$7,771,451.30. Discounting Grant Administration and other mandated expenses approximately \$2,161,300.00 is

available for new activities.

Final Approval

Following today's hearing the Consolidated Plan will be presented to the Board of County Commissioners at the June 22, 2006 public meeting for official approval.

The Commissioners have given preliminary approval to the plan prior to publishing in the newspaper.

The Plan will be submitted to HUD on July 13, 2006 for its review and approval.

The Program Year begins September 2006.

The purpose today is to record any concerns or comments that may be significant in the overall planning process and may be used to further evaluate the goal of the program and the proposed methods and activities to achieve that goal.

-112 Projects submitted

-\$7,771,451.30 requested

-Proposed listing to be published 5/18/06

-Public display period 5/19/06 – 6/20/06

-Final version presented to:

Board of Commissioners of Beaver County 6/22/06

HUD 7/13/06

The meeting was then opened for public input.

Jim Culler asked questions on Act 137, what is it used for? Is it state matched? He also asked if in the past we have funded projects that never actually get constructed. Lisa Signore explained the cases in which that has happened.

When discussing public libraries Jim Culler asked what income is used for a public library? Is it countywide or just the town where the library is located?

Carlo Pisani and Jim Culler asked if it would be a good idea to conduct a borough wide income survey for a park in Koppel. Lisa suggested that it was a good idea.

We discussed local grocery stores and how they benefit the towns in which they are located.

Jim Culler and Carlo Pisani made it known that Koppel Borough is very appreciative of any funding we are able to give them. They are strong supporters of our program.

There being no further comments or questions, the hearing was adjourned at 11:00 AM.

RE: Resolution Request

In accordance with the Law Department's procedures for the preparation of resolutions, I am submitting the following information with the enclosed Resolution Request Form.

Annually, Beaver County receives funding from the U. S. Department of Housing and Urban Development (HUD) under the Community Development Block Grant Program, the Home Investment Partnership (HOME) and the Emergency Shelter Grant Program (ESG) to carry out a variety of housing and community development activities to benefit Beaver County residents. In order to receive these grants, the County must submit an Annual Plan (FY 2007) and budget. The Annual Plan contains a list of proposed activities that will address the overall goals and objectives in the five-year plan.

The fiscal year 2007 proposed plan and list of activities was published in the Beaver County Times on May 24, 2007. Public hearings on the plan were held May 3, 2007 and June 26, 2007. The plan has been on display since May 25, 2007 at various locations in the County to allow for public review and comment.

In order to complete the application process and prior to submitting to HUD, the plan must be presented to the Board of County Commissioners at a public meeting and approved by resolution.

Therefore, you are requested to prepare a resolution to be presented to the Board of County Commissioners for their consideration and action.

If you have any questions, please contact me at your convenience.

I. THE CITIZEN PARTICIPATION PLAN

What is the Citizen Participation Plan?

The County of Beaver, through the Community Development Program, utilizes the programs of various federal and state agencies including the U.S. Department of Housing and Urban Development, the Pennsylvania Department of Community and Economic Development, etc. to implement housing and community development related activities.

The Community Development (CD) Program recognizes the obligation to provide adequate information to citizens regarding those programs through which it may seek funding. Therefore, the CD Program will insure that adequate information is provided to local citizens to evaluate various proposals. The County will also provide the proper forum to obtain citizen views on housing and community development related issues.

The County receives annual grants from the U.S. Department of Housing and Urban Development resulting from its classification as an "entitlement" community. The County is also eligible to apply for supplemental funds under the Section 108 Loan Guarantee Program. The County may exercise its option to apply for Section 108 Loan Guarantee funding and in so doing will follow the procedures outlined in this Citizen Participation Plan.

The CD Program recognizes that persons affected by public action should have a voice in policy formulation. Although the various housing and community development related activities are designed to have a long term beneficial effect on the community, these activities may also have an adverse impact on some individuals. Therefore, it is important that citizens know what is being planned and be given an opportunity to present their views.

The County recognizes the need to consult and coordinate with appropriate public and private agencies, such as the state and local jurisdictions, local public housing agencies participating in an approved Comprehensive Grant Program, and among its own departments, to assure that its programs and plans are comprehensive and address any statutory requirements. It will also confer with social service agencies regarding the housing needs of children, elderly persons, persons with disabilities, homeless persons, and other categories of residents. The County will consult with state and local health and child welfare agencies, and examine existing data on hazards and poisonings, including health department data on the addresses of housing units in which children have been identified as lead poisoned.

In order to comply with the spirit of program requirements relative to citizen participation, the CD Program has developed this Citizen Participation Plan. Generally, the plan is designed to insure the involvement of affected persons and other concerned citizens, the openness and freedom of access to information, the adequate and timely presentation of pertinent data, the submission of views and proposals, and the continuity of citizen participation through each stage of resulting activities.

II. ADEQUATE INFORMATION

What kind of information does it provide?

The CD Program shall provide for full public access to citizens, public agencies, and other interested parties, including those most affected, to information pertaining to any program under which funding is sought or concerning the use of funds from any program used for housing and community development activities and administered by the CD Program. Affirmative efforts will be made to make adequate information available to citizens, especially to those of low, very low, and poverty income and to those residing in slum and blighted areas and in areas where funds from federal or state programs are proposed to be used. At the time CD Program initiates the process to seek specific funding, the following program information shall be provided:

- A. The total amount of funds expected to be available to the County for housing and community development activities under the program(s) being assessed;
- B. The range of activities that may be undertaken with these funds;
- C. The estimated amount of funds proposed to be used for activities that will benefit low, very low, and poverty income persons;
- D. The possibility of residential and/or commercial displacement resulting from program implementation and the plans for minimizing such displacement; and
- E. The types and levels of assistance to be made available to persons displaced by contemplated activities.

Upon completion of an application for funding by the CD Program and submission of the application to the appropriate agency, the County shall publish a notice in a newspaper of general circulation if program regulations so require. The notice shall appear in the Beaver County Times and indicate that necessary documentation has been submitted and is available to interested parties upon request. The CD Program shall make copies of the appropriate documentation available in the Community Development Program, 1013 Eighth Avenue, Beaver Falls, PA, 15010.

III. SUBMISSION OF VIEWS AND PROPOSALS

Who may comment on the information?

The County shall provide for and encourage the submission of citizens' views and proposals regarding the Community Development Program; particularly low and moderate income persons, residents of identified blighted areas, and residents of public housing. This includes submission of such views:

- a. Directly to the County during the planning period;
- b. At other informal meetings if scheduled by the County prior to formal public hearings; and
- c. At formal public hearings.

The County shall provide timely responses to all written proposals stating the reasons for the actions taken by the County on the proposal.

Whenever possible, the County will respond within fifteen (15) working days and, whenever practical, responses will be made prior to the consideration and action on the Community Development Program by the Board of Commissioners.

IV. THE CONSOLIDATED PLAN AND STRATEGY

What is the Consolidated Plan?

The U.S. Department of Housing and Urban Development (HUD) has amended regulations to completely replace the current regulations for Comprehensive Housing Affordability Strategies (CHAS) with a rule that consolidates into a single consolidated submission the planning and application aspects of the Community Development Block Grant (CDBG) Program, Emergency Shelter Grants (ESG) Program, Home Investment Partnerships (HOME) Program, and the Housing Opportunities for Persons with AIDS (HOPWA) Program. The rule also consolidates the reporting requirements for these programs, replacing the general performance reports with one performance report. The new consolidated document is referred to as the Consolidated Plan (CP). The County of Beaver is a direct entitlement under the CDBG Program, HOME Program, and ESG Program.

The Consolidated Plan and Strategy will address affordable housing, economic and community development needs, conservation of neighborhoods, economic stimulation, provision of public improvements and facilities, public services and related issues. The planning process will provide an opportunity for citizen participation in the identification and prioritizing of needs and overall strategy in addressing said needs. Specific projects and activities designed to address needs will be incorporated in an Annual Plan for Use of Entitlement Funds.

V. PLANNING PROCESS

What is the CP Planning Process?

The planning and preparation of the County's Consolidated Plan along with the proposed use of annual entitlement funds shall be carried out in accordance with applicable HUD requirements and will include the following:

- a. The assembly of information and identification of affordable housing and community development information will be carried out as an ongoing process to identify and prioritize County needs.
- b. Conducting a minimum of two (2) public hearings during each Consolidated Program year to obtain the views of citizens and organizations prior to the commencement date of the County's Consolidated Program Year (September 1). The first hearing shall be conducted to solicit citizen input for development of the Proposed Consolidated Plan. The second hearing shall afford citizens an opportunity to comment and offer suggestions on the completed Proposed Consolidated Plan and prior to the action of Beaver County Board of Commissioners and subsequent submission to HUD.

The hearings will be conducted at locations and times which provide ease of access for citizen attendance. It is expected that the public hearings will be held in the evening. Due to budgeting and staff limitations, neighborhood meetings may be held if resources are available. Information presented by those in attendance will be used to identify and prioritize housing and community development needs and plan proposed projects and activities to address said needs.

- c. Conducting public sessions with local citizens and local agencies to review housing and community development needs.
- d. Meeting with and/or communicating with public, nonprofit, and private agencies which may offer input to the identification of needs and/or projects and activities to address said needs.
- e. Providing a 30 day review period on the Proposed Consolidated Plan and Strategy which includes projects and activities to be undertaken in the annual plan. The public notice shall identify locations where the Proposed Consolidated Plan will be available for citizen review. During the review period, citizens may provide comments in writing to the Beaver County Community Development Program, 1013 Eighth Avenue, Beaver Falls, PA 15010.
- f. Conducting a public hearing on the Proposed Consolidated Plan and Strategy including use of annual entitlement funds during or following the 30 day review period. The public hearing notice shall be published at the same time as the notification of the 30 day review period and shall contain a summary of the Proposed Consolidated Plan and annual entitlement submission. The notice shall also provide the expected date for action by the County of Beaver. All citizen comments shall be presented in writing prior to the public hearing or during the public hearing. Adequate time will be reserved to modify the Proposed Consolidated Plan based on citizen comment prior to action of the Board of Commissioners and submittal to HUD.

- g. The approval of the Consolidated Plan and Use of Entitlement Funds by the County anytime following the 30 day review period and after the second public hearing and prior to submittal of the Consolidated Plan and Strategy.
- h. A policy and strategy of the Community Development Block Grant Program and related programs will be conducted in a manner that will minimize displacement. However, in instances where displacement is unavoidable, information on the types and levels of assistance to be made available to persons displaced is located in the Beaver County Community Development Program.

VI. NOTICE OF HEARING AND MEETING

What opportunities are there for citizens comments?

The CD Program will conduct a public hearing or hearings on specific application proposals in accordance with federal or state requirements for the subject program under consideration.

An initial hearing will be held to obtain the views of interested citizens and organizations regarding overall community development and housing needs, development of proposed activities, and a review of program performance. The second hearing will be held to obtain the views of interested citizens and organizations on the particular funding application.

Generally, hearings shall be held at the Beaver County Courthouse, Third Street, Beaver, PA. Such hearings will be duly advertised. All public hearings will be held in facilities that afford accessibility for persons with disabilities. At least fourteen (14) calendar days prior to any hearing, a notice shall be published in the non-legal section of a paper of general circulation. The notice will give the date, time, place and topics to be considered at the hearing.

Notices will also be sent to social service agencies and other public and semi-public groups which may have particular interest or be affected by the proposed program. The CD Program will work through these agencies and groups to encourage participation in the hearing process on the part of low, very low, and poverty income persons who reside in areas where funds will be spent. The CD Program will also work with these agencies and groups to involve persons who reside in low, very low, or poverty income neighborhoods. All notices of the second hearing will also contain a detailed description of the area or areas affected by the project activities in an effort to alert the residents of such areas of such proposals and to encourage their participation in the hearing process.

If any organizations or group representing affected residents request to be involved in the citizen participation process, the CD Program shall place such group on the CD Program's list of representative groups and organizations. The CD Director shall be responsible for maintaining a list of representative groups and organizations. The CD Director shall be responsible for maintaining a list of representative groups and organizations. This list shall be updated at the

beginning of each program year. Additions to the list may be made by written request to the CD Program stating the nature of the organization and why it should be included.

The Board of Commissioners shall have the responsibility for calling meetings and hearings with citizens likely to be affected by activities undertaken by the CD Program. The Board of Commissioners may delegate assignments to the CD Director. The Board of Commissioners shall also develop procedures for meetings and hearings and for moderating such meetings either directly or through the CD Director.

The CD Program will consider and respond in writing to all comments, views or proposals submitted either verbally or in writing at public hearings or meetings. The response to a request for activities or projects shall be made in a timely fashion, but in any case prior to the meeting of the Board of Commissioners at which approval of the application will be considered.

The CD Program will respond in writing to citizen complaints and/or grievances related to community development and housing programs as soon as possible. Citizen complaints and/or grievances will be responded to in writing within fifteen (15) working days from receipt of such complaint in the CD Program.

VII. NON-ENGLISH SPEAKING AND PHYSICALLY DISABLED RESIDENTS

What is the County doing for non-English speaking residents and physically disabled residents?

The County will take such measures as are appropriate to accommodate the needs of non-English speaking and hearing impaired residents in the case of public hearings where a majority of the participants at the hearing are expected to be non-English speaking or hearing impaired residents. At a minimum, all handout material prepared for such hearings will be bi-lingual to accommodate the needs of attendees. Secondly, the CD Program may engage the services of a bi-lingual person to assist in presenting relevant information at the hearing, if such services are requested. In addition, the County will publish the Telephone Device for the Deaf (TDD) number so hearing impaired residents may have access to information.

The County will also take measures as appropriate to accommodate the needs of visually impaired residents. Handouts at the public hearing will be translated into braille, if such services are requested.

All meeting locations will be accessible to the physically disabled. Persons requiring assistance should contact the Community Development Program at least five days prior to the meeting date.

VIII. TECHNICAL ASSISTANCE

Is technical assistance available?

Technical assistance from CD Program staff, staff of other County agencies, or third party contractors to the County or its agencies will be provided to citizen participants, low, very low, and poverty income groups or persons to enable them to understand the requirements associated with various programs such as Davis-Bacon Federal Labor Standards provisions, environmental policies, equal opportunity requirements, relocation provisions, etc. Technical assistance will also be provided to groups representative of persons of low, very low, and poverty income that request assistance in developing proposals. Such assistance will be made available upon request by interested citizens or organizations to the County's CD director. In addition, the CD Program, through the public hearings, will review such program requirements and will have available for interested parties handout material dealing with technical program requirements so as to assure understanding. Furthermore, the CD Program will provide interpretation services to any non-speaking person or hearing impaired persons who may require such assistance in understanding a particular program being planned or administered by the CD Program.

IX. RESPONSE TO PROPOSALS SUBMITTED

How will the County respond to proposals and comments submitted?

The County of Beaver will respond in writing to all comments, views, and proposals submitted verbally or in writing at public hearings and/or during the preparation of the Consolidated Plan, and/or during the amendment process, and/or during the performance report process. The County's response to a request for activities or projects shall be made within fifteen (15) days from the date of the hearing or meeting, or prior to the meeting of the Board of Commissioners to consider approval of the use of annual entitlement funds.

X. RESPONSIBILITY FOR CONDUCTING HEARINGS OR MEETINGS

Who is responsible for conducting hearings?

The Board of Commissioners through the Community Development Program Director shall have the responsibility for calling meetings and hearings with citizens likely to be affected by activities undertaken by the CD Program. The CD Director will be responsible for preparing advertisements for public hearing and placing such ads in the Beaver County Times. The CD Director will present the technical information at the public hearing. The Director shall also develop procedures for the meetings and hearings.

XI. RESPONSE TO COMPLAINTS SUBMITTED BY CITIZENS

How will the County respond to complaints by citizens?

The County of Beaver will respond in writing to written citizen complaints related to the Community Development Program within fifteen (15) working days from receipt of such complaint in the Beaver County Community Development Program.

All correspondence should be directed to:

Beaver County Community Development Program
1013 Eighth Avenue
Beaver Falls, PA 15010

XII. AMENDMENT PROCESS

Can the County amend its programs?

The County will amend its approved programs based upon one of the following decisions:

- A. To make substantial change in its allocation priorities;
- B. To undertake an activity, using program funds (including program income) which was not previously described in an action plan or funding application;
- C. To not carry out an activity for which finding is approved;
- D. To substantially change the purpose, scope, location, or beneficiaries of an activity; or
- E. To carry out an emergency activity.

Substantial change is quantifiably defined as the increase or decrease or more than 25 percent of (1) The cost of an approved activity or (2) An approved activity's service area and/or class of beneficiaries. Such a course of action would necessitate an amendment to an approved program.

In such instance; the Community Development Program shall provide citizens with reasonable notice of, and opportunity to comment on, such proposed changes in its use of funds. The Community Development Program will publish a notice in the non-legal section of a paper of general circulation such as the Beaver County Times of the proposed program change and give interested or affected citizens at least thirty (30) calendar days to submit comments on the amendment prior to taking such amendment action. The CD Program will notify the appropriate funding agency of the proposal and provide a description of any changes.

For emergency activities of recent origin, it is the policy of the Beaver County Board of Commissioners and its administering agency, the Beaver County Community Development Program Office, to grant a temporary waiver for the 30 day "Citizen Review and Comment Period". The Beaver County Community Development Program will advertise the project for citizen comment concurrent with the start of the project.

In keeping with federal regulations, an emergency project can be defined as an emergency activity of recent origin in which existing conditions pose a serious and immediate threat to the health, safety or welfare of the community. The Community Development Program Office will obtain a certification from a qualified official stating the nature of the emergency and that it poses a serious threat to the community.

XIII. MONITORING AND EVALUATION OF COMMUNITY DEVELOPMENT PERFORMANCE

How will the Community Development Program be evaluated?

The County shall publish a notice of completion of the Annual Performance Report and there will be a fifteen (15) day public comment period to the time the Performance Report is submitted to the Department of Housing and Urban Development. Annually, at least one (1) public hearing shall be held on the performance of the program to provide any resident an opportunity to comment on the Community Development Program. This hearing may be combined with another scheduled hearing.

XIV. AVAILABILITY OF PROGRAM AND RELATED INFORMATION

Will Program information be made available?

The County will provide full public access to program information. The County shall maintain the following data:

- a. Mailing and promotional material related to the Citizens Participation Process.
- b. Record of Hearing.
- c. Key documents including prior statements, Consolidated Plan and Strategy, approval letters, performance report, evaluation reports, and others required by the Department of Housing and Urban Development.
- d. Copies of Regulations and Policy Statements issued by the Department of Housing and Urban Development. All of the above data is to be available in the CD Program.

XV. MODIFICATION OF PLAN

Can this Plan be modified?

The Citizen Participation Plan may be modified from time to time by the CD Program, provided such revisions are consistent with federal and state law, regulations and administrative requirements covering citizen participation. Prior to any modification of the Citizen Participation Plan, the CD Program will publish a notice of modification of the plan in sufficient time to permit citizens to comment prior to approval by the Board of Commissioners. The notice shall be published in local newspapers of general circulation at least fourteen (14) calendar days prior to the adoption of the modification by the Board of Commissioners.

Any questions or comments on this plan or request for information should be directed to: Beaver County Community Development Program, 1013 Eighth Avenue, Beaver Falls, PA 15010. The telephone number is (724) 847-3889 and the fax number is (724) 847-3861. The County's TDD number is (724) 847-2946.

Barriers to Affordable Housing

Barrier	Planned Action by County for FY 2007
There is an overwhelming demand for housing rehabilitation grants by lower income homeowners.	The County will allocate \$953,000 for Home Improvement, Emergency Home Improvement, and the Weatherization programs to perform rehabilitation, weatherization and emergency repairs on 82 single family owner-occupied housing units.
Renter Household often have difficulty purchasing a home.	The County will allocate \$166,455 in Act 137 funds and \$13,545 in ADDI funds to finance homebuyer assistance activities for 25 homebuyers
Formal interaction between housing groups and agencies is underdeveloped.	The newly created Beaver County Housing and Homeless Coalition will enhance activities that facilitate interaction among housing groups and agencies.
The supply of handicapped housing appears to be inadequate.	<ol style="list-style-type: none"> 1. Housing Authority of Beaver County will make 23 units of public housing units accessible to persons with disabilities. 2. The County will utilize \$125,000 in PAHP Grant funds to assist 10 low income homeowners with disabilities in making their homes accessible. 3. Seven units of HOME funded projects (Park Place and Villa St. Joseph) will be accessible to persons with disabilities.
Fair Market Rents (FMRs) are not affordable to LMI households.	The County will continue to encourage the development of subsidized affordable rental units.
Potential LMI homebuyers lack the skills and creditworthiness to become homebuyers,	Through the First-Time Homebuyer Program, the County will facilitate the provision of a homebuyer preparation course which will focus on issues such as financial management, home maintenance and repairs, property taxes and insurance.

COUNTY OF BEAVER
HOME INVESTMENT PARTNERSHIPS PROGRAM
HOMEOWNERSHIP RECAPTURE POLICY

Should any of the properties assisted with HOME funds be sold (either at the option of the homeowner or through foreclosure) during the period of affordability, the "recapture/resale" requirements of the HOME program are triggered. Beaver County has selected the "recapture" option, meaning that some of the direct HOME assistance to the original buyer (i.e., gap financing plus downpayment/closing cost assistance) must be repaid to the County's HOME Investment Trust Fund if the property is sold prior to the expiration of the period of affordability.

More specifically, Beaver County has selected the "sharing of net proceeds" method of calculating the amount of recapture. "Net proceeds" is defined as the sales price of the property LESS the outstanding mortgage debt owed to the primary lender LESS the homeowner's initial downpayment.

When net proceeds are insufficient to repay the entire amount of direct HOME assistance to the original buyer (i.e., gap financing plus downpayment/closing cost assistance), then the net proceeds (if any) will be shared equally between the homeowner and the County. If there are no net proceeds from the sale of the property, repayment is not required.

In the event that proceeds from the sale of the property exceed the amount of outstanding mortgage debt, any excess proceeds will be paid to the homeowner.

In the event of non-compliance (i.e., the homeowner fails to occupy the HOME assisted property as his/her principal residence for the entire period of affordability), then the entire amount of direct HOME assistance to the homeowner will be recaptured by the County.

These recapture provisions will be incorporated into all written agreements, as well as notes and mortgages, between Beaver County and borrowers. Recapture provisions must be enforced through deed restrictions, covenants running with the land, or similar legal mechanisms.

Fair Housing Action Plan (1991) Implementation Strategy Plan Year 2007

Identified Administrative Actions

Recommendation #1:

Create an organizational framework that encourages routine interaction between groups and individuals engaged in the pursuit of expanded housing opportunities.

Recommendation #2:

Increase public awareness of the role of the County's Fair Housing Officer.

Recommendation #3:

Conduct an Affordable Housing Seminar

Recommendation #4:

Initiate technical services program to assist local units of government in managing the land use administrative process.

Recommendation #5:

Stimulate the new construction and/or substantial rehabilitation of housing to address affordable housing needs.

Recommendation #6:

Maximize opportunities to expand affordable housing in areas experiencing airport related growth.

Recommendation #7:

Adjust the CDBG funded housing rehabilitation guidelines such that CDBG funds are used to leverage private investment owner occupied properties.

Recommendation #8:

Initiate a subsidized purchase/rehab incentive program that encourages tenants to become responsible property owners.

Recommendation #9:

Provide rehab bonuses for homeowners or landlords financing improvements for the handicapped.

Recommendation Number	Activity
1	Continuation of the Beaver County Housing and Homeless Coalition that was created to combine and expand Housing Consortium and Homeless Task Force
2	New fair housing office has been established. Role of fair housing officer will include affirmative marketing through posters and links to all county resource networks. Will continue to work in cooperation with and receive training from Fair Housing Partnership of Allegheny County. Will provide outreach to lenders and realtors, and municipalities.
5 and 9	Allocation of CDBG, ADDI, Act 137, and PA DCED funds for home improvement, home ownership, emergency home improvement, weatherization, and modifications for accessibility.
7	Continue the loan/grant home improvement program, based on a sliding scale for homeowner private investment to the project
8	Homebuyer preparation courses as a provision of funding for down payment and closing costs for first time homebuyers
9	Construction of 23 rental units of public housing accessible for persons with disabilities.

PROPOSED SCOPE OF SERVICES
ANALYSIS OF IMPEDIMENTS TO FAIR HOUSING
BEAVER COUNTY, PA

Task 1: Initial Meeting with CDP Staff and/or Steering Committee

The purpose of this meeting would be to review the scope of service, to discuss local priorities, and to finalize the methodology for carrying out the overall assignment. The final work plan will reflect a harmonious blend of client priorities, HUD regulatory and statutory requirements, and an M&L approach that has withstood HUD scrutiny and that has worked well for our clients.

At the initial meeting, we will obtain copies of all relevant documents such as copies of any previous AIs completed by Beaver County (including any HUD review comments), general HUD or state correspondence relative to fair housing issues, a copy of Beaver County's most recent CAPER along with any HUD FHEO review comments, zoning ordinances for local units of government in the county, copies of comprehensive plans, and any other relevant reference materials.

Task 2: Face-to-Face interviews and focus group meetings with housing practitioners and fair housing stakeholders

In carrying out other AIs, M&L has found that the most effective way of generating meaningful input into the AI is through face-to-face stakeholder/practitioner interviews, surveys, and focus group meetings. These groups have a vested interest in the information included in the AI and in the outcome of the AI. We will work with the county staff to identify stakeholders and to prepare a schedule of meetings. Stakeholders would receive a letter in advance of the interview describing the purpose of the meeting and introducing members of the consulting team. We would normally survey or conduct face-to-face meetings and interviews with:

- CDBG Fair Housing Officers
- Real estate professionals, including the local Board of Realtors and multi-list service
- The commercial lending community
- Landlord organizations
- Fair housing groups such as CHRBs, Human Relations Commissions, etc.
- Advocacy groups, such as disability advocates, ethnic/cultural organizations, immigrant groups, homeless advocates, affordable housing advocates and civil rights organizations
- Beaver County Housing Authority
- CHDOs and other affordable housing developers
- Public transit authorities within the region

As part of this outreach effort, we will define "who does what" in terms of housing and fair housing activities in Beaver County. We will identify entities involved in fair housing enforcement, fair housing education and fair housing outreach. For each organization, we will summarize their recent accomplishments and define the extent to which these organizations routinely interact and communicate on issues to further fair housing.

As part of our discussion with the Beaver County Housing Authority, we will obtain information on any BCHA preferences for members of the protected classes and the existence of reasonable accommodation policies or other policies that affect the operation of the Authority's public

housing and Section 8 programs. We will also request copies of the Authority's most recent Section 504 needs assessment and transition plan, making note of any projects or initiatives designed to expand accessibility, visitability or otherwise address the needs of persons with disabilities.

Task 3: Analysis of Demographics and Housing

We will devote our immediate attention to a thorough analysis of census data and other statistical sources of information.

Using 2000 U.S. Census data and information from the Beaver County Housing Authority, we will perform the following analysis:

- a) Population characteristics for Beaver County by income, age, race, gender, female heads of households, disability, and families with children.
- b) Housing characteristics for Beaver County, including total number of housing units; number and location of publicly assisted housing units; number of single-family homes and multifamily units; median rents and median sales prices; and statistical indicators of the condition of the housing stock (units lacking complete plumbing facilities, units over 40 years old and older, overcrowded units); analysis of owner/renter breakdowns, age of housing, and vacant units.

Where appropriate, we will compare 1990 data against 2000 and available 2005 data to identify demographic and housing trends.

- c) Information characterizing the degree of low- and moderate-income and minority concentration will also be provided. We will examine poverty characteristics by census tract within Beaver County.

Task 4: Identification of Fair Housing Complaints

Using information from HUD, and from the Pennsylvania Human Relations Commission, basic information reported will include:

- a) An account of violations of anti-discrimination laws by public or private entities within Beaver County as filed with HUD and the Pennsylvania Human Relations Commission. To the extent that such information is available, these complaints will be broken down by municipality.
- b) Contact will be made with agencies, such as those listed below, to determine if there have been any complaints or problems with real estate practices in Beaver County that they are aware of, providing an evaluation of the fair housing legal status:
 - Beaver County Housing Authority
 - Other appropriate offices in Beaver, as necessary

We will identify trends and patterns. We will endeavor to explain the reasons behind any such patterns. We will also review the local procedure for responding to complaints in the interest of ensuring accuracy, timelines, findings, and resolutions.

Task 5: Analysis of Employment Data

Using data from the U.S. Census, state employment data, Beaver County Corporation for Economic Development, and local plans, information will be collected that locates major

employment areas within Beaver County, particularly in relationship to areas where there are concentrations of low- and moderate-income persons and racial/ethnic minority groups. We would analyze economic conditions and trends, including unemployment rates, employment by industry, composition of the workforce, wages, and largest employers.

In addition, information regarding transportation services in the region will be provided to determine how public transit service meets the needs of low- and moderate-income persons and protected groups. A determination will be made if low- and moderate-income housing is located in proximity to employment centers or if transportation is readily available to connect affordable housing and sources of low- and moderate-income employment.

Task 6: Evaluation of the local Human Relations Commission, Fair Housing Council, or Community Housing Resource Board

- a) Staffing levels
- b) Duties and responsibilities
- c) Number of complaints filed by category: i.e., employment, home purchase, landlord-tenant complaints, etc.
- d) Status of complaints filed: i.e., number resolved, in process, litigation, etc.
- e) Frequency of board meetings
- f) Outreach, publicity and educational sessions held.

Task 7: Evaluation of Public Policies

- a) The following reviews will be conducted:
- b) Review a representative sampling of local zoning ordinances and subdivision ordinances in Beaver County to determine if they exclude or restrict group homes, certain racial and ethnic groups, female heads of households, elderly, low- and moderate-income persons, certain religious groups, and any other protected group from building, renting or living in certain areas. In conducting this review, we will utilize ordinances available for review at the Beaver County Planning Department.
- c) Review of site selection policies and other housing construction requirements in effect in the CDBG program in Beaver County used by the Beaver County Housing Authority.
- d) Review marketing and advertising materials and other housing literature used by the Consortium and its subrecipients.
- e) Review administrative procedures for compliance with fair housing laws and statutes.

Task 8: Review of Real Estate Practices

Interviews will be conducted with representatives from the local Board of Realtors. Information regarding fair housing education and training of members will be obtained along with information regarding support offered by the Board of Realtors to assist members in furthering fair housing practices in the sale of real estate in Beaver County.

Task 9: Analysis of Private Financing

Using Home Mortgage Disclosure Act (HMDA) information, an analysis of lending practices by banks and mortgage companies will be completed. The goal of the analysis of the HMDA statements is to identify potential impediments to homeownership in Beaver County. The analysis of the HMDA statements will focus on the number of homeowner mortgage applications received by mortgage lenders in the county for conventional home purchase of one to four family units by race, female-headed households, and low- and moderate-income households, the total approved, and the reasons for denial.

ask 10: Summary of Impediments to Fair Housing

This section of the AI will summarize the findings of our research. The summary will be broken down into two major sections including public sector impediments and private sector impediments.

Public sector impediments may include building and zoning codes, site selection policies, availability and uniform distribution of services, demolition, displacement and development activities, job creation and training, public transit services, public agency cooperation, communication and coordination activities, selection of members to public boards and commissions and housing assistance provider policies.

Private sector impediments may include unfair real estate sales, housing brokerage and real estate and management practices, discriminatory banking and insurance policies, language/cultural barriers, accessibility barriers and the existence of any mobility programs to encourage desegregation. We will identify any impediments to fair housing choice, including any policies or procedures that are under the control of Beaver County. If a public sector impediment to fair housing is identified that is NOT under county control, we will identify the responsible party.

For both public and private sector impediments, we will identify the exact nature of any infraction and cite the specific federal or state statutory requirement that has been violated. We will then define the impact of the infraction on the community, its residents, and persons expected to reside in the community.

ask 11: Barriers to Affordable Housing

Evaluate the County to determine whether the cost of housing or the incentives to develop, maintain or improve affordable housing are affected by its policies, including tax policies, land use controls, zoning ordinances, building codes, fees and charges, growth limits and policies that affect the return on residential investment.

Task 12: Preparation of Initial Draft Analysis of Impediments report for review by the County staff, including an Executive Summary.

In this task, we will prepare a written report for review by the staff that incorporates the results of our research. We will work with the staff to make required revisions to the document. The AI will not be placed on public display until such time as the staff is satisfied with the content of the report.

Task 13: Public Review of Draft AI

The draft AI will be placed on public display at local public libraries and other public locations that are typically utilized by the county for CDBG and HOME outreach efforts. This action will provide citizens the opportunity to review and comment on the draft report.

Task 14: Final revisions to Analysis of Impediments and publication of final report.

Based on public input received, M&L will make final adjustments to the AI document and publish the final report.
